Questions to Ask a Specialist, will leave readers of all genders and sexual orientations feeling informed, empowered, and in control.

Teens have questions and lots of them. This book guides Teens to the source of wisdom, the Bible for their answers to 100 of the most often asked questions. It addresses topics of importance for young adults that will help them build their faith. It's reassuring answers will not only help the teen who reads them, but will also give them answers to share with their friends and peers.

Appropriate for both sex therapists and art therapists, When Art Therapy Meets Sex Therapy explores sexuality and gender through the use of art making, connecting relevant theories and research from both fields. It begins with a historical review of how explorations of anatomy, physiology, and sexual identity manifested in art making in different cultures and discusses why a clinician must take these spiritual, medical, and socioeconomic factors in account to offer effective and culturally competent therapy. The second part of the book discusses clinically effective treatments in art and sex therapy, and contains numerous case illustrations. Included are interventions for important issues in therapy, such as exploring gender identity, sexual health and shame, processing sexual abuse, couples' intimacy, parenting concerns regarding their children's sexuality, and treating sex addiction.

Covering all aspects of puberty from physical changes and emotions to body image and eating disorders, Puberty offers support and advice on the complex changes you experience during puberty.

According to the National Kidney and Urologic Diseases Information Clearinghouse (NKUDIC), UTIs are the second most common type of infection in the body. Almost 50 percent of women get a UTI at some point in their life. Therefore, it is essential that teens understand the symptoms of a UTI and what to do if they think they have one. UTIs are common and relatively harmless, but they can become serious if left untreated. This helpful guide covers the signs and symptoms, treatment, and prevention of UTIs, as well as how to cope with one at home and school.

Prom has the potential to be the most glamorous night of the year. Fancy gowns and suits, perfect hair, and a date who makes your knees buckle. For some, planning for prom takes months of careful work, to say nothing of the nerves that build as the date nears. This book helps teens navigate all the prep and build up, plus the emotions that come along with it. From date jitters to outfit stress, this book ensures that no matter what, surviving prom is a piece of cake.

Dealing with the issues surrounding teen pregnancy can be difficult, especially as there isn't a standardized way of approaching the topic by families and in schools. Providing teens with comprehensive fact-based sexual education can help them make informed choices about their reproductive health and futures. This thoughtful and informative book helps eliminate the stigma associated with teen parenthood, and a Myths and Facts sidebar helps correct common misconceptions about the topic. Chapters discuss teens' rights to sexual health services and the choices they can make if they become pregnant.
