privilege-schedule long  
enough to get the job done!  
Not likely.

Erin Hogan hit the road in  
her Volkswagen Jetta and

# Online Library 2009 Vw Jetta

headed west from Chicago in search of the monuments of American land art: a salty coil of rocks, four hundred stainless steel poles, a gash in a mesa, four concrete tubes, and military sheds filled with cubes. Her

# Online Library 2009 Vw Jetta

journey took her through the states of Utah, Nevada, New Mexico, Arizona, and Texas. It also took her through the states of anxiety, drunkenness, disorientation, and heat exhaustion. Spiral Jetta is a chronicle of this

# Online Library 2009 Vw Jetta

journey. A lapsed art historian and devoted urbanite, Hogan initially sought firsthand experience of the monumental earthworks of the 1970s and the 1980s—Robert Smithson's Spiral Jetty, Nancy Holt's

# Online Library 2009 Vw Jetta

Sun Tunnels, Walter De  
Maria's Lightning Field,  
James Turrell's Roden  
Crater, Michael Heizer's  
Double Negative, and the  
contemporary art mecca of  
Marfa, Texas. Armed with  
spotty directions, no

# Online Library 2009 Vw Jetta

compass, and less-than-desert-appropriate clothing, she found most of what she was looking for and then some. "I was never quite sure what Hogan was looking for when she set out . . . or indeed whether she found

# Online Library 2009 Vw Jetta

it. But I loved the ride. In  
Spiral Jetta, an unashamedly  
honest, slyly uproarious,  
ever-probing book, art  
doesn't magically have the  
power to change lives, but  
it can, perhaps no less  
powerfully, change ways of

# Online Library 2009 Vw Jetta

seeing.”—Tom Vanderbilt, *New York Times Book Review* “The reader emerges enlightened and even delighted. . . . Casually scrutinizing the artistic works . . . while gamely playing up her fish-out-of-water status, Hogan

# Online Library 2009 Vw Jetta

delivers an ingeniously  
engaging travelogue-cum-art  
history."—Atlantic "Smart  
and unexpectedly  
hilarious."—Kevin Nance,  
Chicago Sun-Times "One of  
the funniest and most  
entertaining road trips to

# Online Library 2009 Vw Jetta

be published in quite some time."—June Sawyers, Chicago Tribune "Hogan ruminates on how the work affects our sense of time, space, size, and scale. She is at her best when she reexamines the precepts of modernism in the

# Online Library 2009 Vw Jetta

changing light of New Mexico, and shows how the human body is meant to be a participant in these grand constructions."—New Yorker

Individuals are generally considered morally

# Online Library 2009 Vw Jetta

responsible for their actions. Who or what is responsible when those individuals become part of business organizations? Can we correctly ascribe moral responsibility to the organization itself? If so,

# Online Library 2009 Vw Jetta

what are the grounds for this claim and to what extent do the individuals also remain morally responsible? If not, does moral responsibility fall entirely to specific individuals within the

# Online Library 2009 Vw Jetta

organization and can they be readily identified? A perennial question in business ethics has concerned the extent to which business organizations can be correctly said to have moral responsibilities

# Online Library 2009 Vw Jetta

and obligations. In philosophical terms, this is a question of "corporate moral agency." Whether firms can be said to be moral agents and to have the capacity for moral responsibility has

# Online Library 2009 Vw Jetta

significant practical consequences. In most legal systems in the world, business firms are recognized as "persons" with the ability to own property, to maintain and defend lawsuits, and to self-

# Online Library 2009 Vw Jetta

organize governance structures. To recognize that these "business persons" can also act morally or immorally as organizations, however, would justify the imposition of other legal constraints

# Online Library 2009 Vw Jetta

and normative expectations on organizations. In the criminal law, for example, the idea that an organized firm may itself have criminal culpability is accepted in many countries (such as the United States)

# Online Library 2009 Vw Jetta

but rejected in others (such as Germany). This book collects new contributions by leading business scholars in business ethics, philosophy, and related disciplines to extend our understanding of the "moral

# Online Library 2009 Vw Jetta

responsibility of firms."
