This Dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. The fascinating and informative Dictionary of First Names covers over 6,000 names in common use in English, including the very newest names as well as traditional names. From Alice to Zanna and Adam to Zola this book will answer all your questions: it will tell you the age, origin, and meaning of the name, as well as how it has fared in terms of popularity, and who the famous fictional or historical bearers for the name have been. It covers alternative spellings, short forms and pet forms, and masculine and feminine forms, as well as help with pronunciation. The book includes extensive appendices covering names from languages including Scottish, Irish, French, German, Italian, Arabic, and Chinese names. Tables of the most popular names by year and by region are also included. From the traditional to the rare and unconventional, this book will tell you everything you need to know about names.

"Origins and meanings of over 2,500 names"--Cover.

This study uses early Jewish sources to analyze the significance of Day of Atonement and High Priest imagery in the narrative of Simon Peter ' s threefold denial of Jesus. It then describes the influence of other early Jewish sources on Jesus ' commissioning Simon Peter as his own successor in John 21:15-19.

This work provides a definitive translation into English of the Targum of Lamentations, based on a critical reading of all the extant versions, with textual annotations and extensive notes. An appendix offers, in addition, a translation and annotation of the Yemenite version.

The Bible Doesn't Say That explores what the Bible meant before it was misinterpreted over the past 2,000 years. Acclaimed translator and biblical scholar Dr. Joel M. Hoffman walks the reader through dozens of mistranslations, misconceptions, and other misunderstandings about the Bible. In forty short, straightforward chapters, he covers morality, life-style, theology, and biblical imagery, including: "The Bible doesn't call homosexuality a sin, and it doesn't advocate for the one-man-one-woman model of the family that has been dubbed "biblical." "The Bible's famous "beat their swords into plowshares" is matched by the militaristic, "beat your plowshares into swords." "The often-cited New Testament quotation "God so loved the world" is a mistranslation, as are the titles "Son of Man" and "Son of God." "The Ten Commandments don't prohibit killing or coveting. What does the Bible say about violence? About the Rapture? About keeping kosher? About marriage and divorce? Hoffman provides answers to all of these and more, succinctly explaining how so many pivotal biblical answers came to be misunderstood.
