hunters, freedom fighters, and mercenaries – roam the dead stars in small ships, scratching out a living any way they can. In Stargrave, players take on the role of one of these independent operators, choosing from a range of backgrounds each with their own strengths, weaknesses, and associated powers. Next, players must hire a crew for their ship, recruiting a lieutenant with a unique skill-set and a handful of soldiers, mechanics, hackers, and other specialists. Some captains may even recruit strange alien lifeforms with abilities no humanoid could ever possess. Once the players' crews are assembled, they are ready to dive into a campaign. Over a series of games, their crews will have the chance to carry out a variety of missions – recovering lost technology, stealing data, freeing slaves, and fighting back against the pirate fleets. In time, as the crews gain experience, they will become more powerful and hire

Take Robin Hood, Richard the Lionheart, Gamelyn, William Wallace and other legends from the colourful, dangerous medieval period to the tabletop with Lion Rampant – a new set of rules designed for fighting medieval skirmish games. Ideal for players who wish to collect medieval miniatures and paint the pageantry without wanting to muster huge forces or spend time learning complex rules, this game allows players to game actual historical battles – or to delve into the archives of Hollywood to embark on more over-the-top pulp style clashes.

Book 14 in the much loved series, "The Horus Heresy: Primarchs" Legends abound of the glorious – or infamous – deeds of the Emperor's sons. Yet almost nothing is known of Alpharius, the most mysterious of them all, for the Lord of the Alpha Legion is unparalleled in the art of obfuscation. Such are his gifts of secrecy and deceit that even his rediscovery has remained an enigma – until now. But when the tale comes from the serpent 's mouth, where does the deception end and the truth begin?

Dragon Rampant allows you to bring those battles to the tabletop. Developed from the popular Lion Rampant system, Dragon Rampant is a standalone wargame that recreates the great battles of Fantasy fiction. Scenarios, army lists, and full rules for magic and monsters give players the opportunity to command unruly orc warbands, raise armies of the undead, campaign across an antediluvian world as the warchief of a barbarian tribe, or exploit the power of mighty creatures and extraordinary sorcery. An army usually consists of 6 – 8 units comprised of 6 – 12 individually based figures. These small units move and fight independently, assuming that they follow your orders rather than just doing their own thing. Command and control is just as important on the battlefield as the power of a troll chieftain or the magic of an archmage.

A new anthology of short stories delving into the secret history of the Horus Heresy. After the betrayal at Istvan, Horus begins his campaign against the Emperor, a galaxy-wide war that can lead only to Terra. But the road to the final confrontation between father and son is a long one – seven years filled with secrecy and silence, plans and foundations being formed across distant stars. An unknown history is about to be unveiled as light is shed on the darkest years of the Horus Heresy, and revelations will surface that will shake the Imperium to its very foundation...
