In a Sentence:Being Jamie Baker is an impressively fun debut novel with a loveable heroine. My Thoughts I was lucky enough to be given a copy of Being Jamie Baker for review, so a huge thanks goes out to the author, Kelly Oram, and to her publishing group at Bluefields! Being Jamie Baker was the perfect summer read for me.

Being Jamie Baker (Jamie Baker, #1) by Kelly Oram

Kelly Oram is a stay home mother of three children, who recently escaped the hustle and bustle of Los Angeles for a small town in Arizona. She wrote her first novel at age fifteen-a fan fiction about her favorite music group, The Backstreet Boys, for which family and friends still tease her. Being Jamie Baker is her debut novel.--About The Author

Kissing Jamie Baker (Ryan POV) | Kelly Oram Books

Being Jamie Baker pudo pasar por una muy divertidísima novela juvenil ligera, pero Kelly Oram tiene algo, no me pregunten qué exactamente porque aun no lo sé, puro talento puedo decirles, que convirtió a este libro en algo recontra bueno. Sin duda Ryan Miller es una de esas razones. Es un personaje muy bien hecho, últimamente tengo muy poca tolerancia a los protagonistas masculinos ...

An accident that should end in tragedy instead gives seventeen-year-old Jamie Baker a slew of uncontrollable superhuman abilities. To keep her secret safe Jamie socially exiles herself, earning the title of Rocklin High's resident ice queen. But during a supercharged encounter with star quarterback Ryan Miller she literally kisses anonymity goodbye. Now the annoyingly irresistible Ryan will stop at nothing to melt the heart of the ice queen and find out what makes her so special. Unfortunately, Ryan is not the only person on to her secret. Will Jamie learn to contain her unstable powers before being discovered by the media or turned into a government lab rat? More importantly, can she throw Ryan Miller off her trail before falling in love with him?

Jamie Baker, the only girl in the world with superpowers, has now accepted who she is and learned to control her power. Not to mention she has the best boyfriend on the planet. Life is finally looking good. But the day she witnesses an accident and decides not to save the guy out of fear of being exposed, she realizes that simply being Jamie Baker isn't enough. After seeing Jamie so wrecked with guilt, the ever-

Read Book Being Jamie Baker 1 Kelly Oram

helpful Ryan Miller decides it's time to make all of his fantasies about turning his girlfriend into an honest-to-goodness superhero become a reality. Of course, coming up with a decent Super Name and fending off all of Ryan's attempts to get her into spandex aren't the only problems Jamie faces. The more her alter ego starts to make headlines, the harder it becomes for Jamie to hide her extracurricular activities from her best friend, the government, radical scientists, and the mysterious new guy who is determined to steal her from her boyfriend.

Plagued by memory loss, Jamie Baker searches high and low for the answers to who she is, where she comes from, and why she's able to do things other humans can't. A not-so-simple task when she's hiding from the people responsible for her amnesia-an evil scientific research company that wants to capture her at any cost. When Jamie's quest for the truth reveals a devastating betrayal from the one person she thought she could trust, she's forced to team up with a secret military organization in order to ensure her safety and stop Visticorp's horrific human experimenting once and for all.

Hockey-obsessed tomboy Eleanor Westley has never been the object of a guy's affection before. So when the hottest boy she's ever seen moves in across the street and starts treating her like she's the center of his universe, naturally she's going to be a little skeptical. But everything starts to make sense when girls who look just like Ellie start dying all around the city. Obviously the new guy is the killer, and of course he only likes her because he wants to slice her into tiny pieces. Right? The more Ellie gets to know Seth the more she's convinced he's a psychopathic killer. Problem is, he's the sweetest psychopathic killer she's ever met. Not to mention he's brutally hot. No matter how hard she tries, she can't help but fall for him. Will Ellie find true love, or will her summer of firsts turn out to be a summer

of lasts?

Nothing is as it seems in this darkly romantic novel inspired by Daphne du Maurier's *Rebecca*. Becca was the perfect girlfriend: smart, gorgeous and loved by everyone at New England's premier boarding school, Thorn Abbey. But Becca's dead. And her boyfriend, Max, can't get over his loss. Then Tess transfers to Thorn Abbey. She's shy and insecure - everything that Becca wasn't. And despite her roommate's warnings, she falls for brooding Max. Now Max finally has a reason to move on. Except, it won't be easy. Becca may be gone, but she's not quite ready to let him go

Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD - and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, *Ungifted* is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

Read Book Being Jamie Baker 1 Kelly Oram

When Avery Shaw's heart is shattered by her life-long best friend, she chooses to deal with it the only way she knows how-scientifically. The state science fair is coming up and Avery decides to use her broken heart as the topic of her experiment. She's going to find the cure. By forcing herself to experience the seven stages of grief through a series of social tests, she believes she will be able to get over Aiden Kennedy and make herself ready to love again. But she can't do this experiment alone, and her partner (ex partner) is the one who broke her heart. Avery finds the solution to her troubles in the form of Aiden's older brother Grayson. The gorgeous womanizer is about to be kicked off the school basketball team for failing physics. He's in need of a good tutor and some serious extra credit. But when Avery recruits the lovable Grayson to be her "objective outside observer," she gets a whole lot more than she bargained for, because Grayson has a theory of his own: Avery doesn't need to grieve. She needs to live. And if there's one thing Grayson Kennedy is good at, it's living life to the fullest.

For small-town rebel Dani Webber magic and monsters are no more real than the Easter Bunny... until the day she accidentally stops time. Dani quickly discovers that not only do supernaturals exist, but she herself is one of them. This is great news for her life-long best friend Russ, who can finally come clean about his own supernatural status and his undying love for her. Before the two can start to enjoy the long overdue relationship, Dani is taken by a powerful council of supernaturals who believe she is the Chosen One destined to save them from extinction. As if being kidnapped and expected to save the world isn't bad enough, an ancient prophecy warns of the Chosen One's dark nature: "Only the truest love will keep her an agent for good." The council believes they know who this "true love" is and, unfortunately, that person isn't Russ. The mysterious, powerful and devastatingly handsome Seer is the last person Dani wants in her life, but when she starts having visions of a horrific future, she has no one else to turn to for

Read Book Being Jamie Baker 1 Kelly Oram

help. Soon Dani finds herself torn between two very different boys with two very different opinions of whom she can trust. With the visions getting worse and time running out, Dani is forced to put aside her feelings and work with both the Seer and Russ before an ancient evil is unleashed upon the earth.

What would you do if your anonymous Internet best friend turned out to be Hollywood's hottest celebrity? Cinder458: Your blogiversary is coming up, right? EllaTheRealHero: Do all those Hollywood friends of yours know you use words like blogiversary? Cinder458: Of course not. I need your address. Got you a blogiversary present. Cinder got me a gift? My heart flipped. Not that I was in love with my Internet best friend or anything. That would be utterly ridiculous. The boy was cocky and stubborn and argued with everything I said just to be infuriating. He also had lots of money, dated models-which meant he had to be hot-and was a closet book nerd. Funny, rich, hot, confident, book lover. Definitely not my type. Nope. Not at all. It's been almost a year since eighteen-year-old Ella Rodriguez was in a car accident that left her crippled, scarred, and without a mother. After a very difficult recovery, she's been uprooted across the country and forced into the custody of a father that abandoned her when she was a young child. If Ella wants to escape her father's home and her awful new stepfamily, she must convince her doctors that she's capable, both physically and emotionally, of living on her own. The problem is, she's not ready yet. The only way she can think of to start healing is by reconnecting with the one person left in the world who's ever meant anything to her-her anonymous Internet best friend, Cinder. Hollywood sensation Brian Oliver has a reputation for being trouble. There's major buzz around his performance in his upcoming film *The Druid Prince*, but his management team says he won't make the transition from teen heartthrob to serious A-list actor unless he can prove he's left his wild days behind and become a mature adult. In order to douse the flames on Brian's bad-boy reputation, his

Read Book Being Jamie Baker 1 Kelly Oram

management stages a fake engagement for him to his co-star Kaylee. Brian isn't thrilled with the arrangement-or his fake fiancée-but decides he'll suffer through it if it means he'll get an Oscar nomination. Then a surprise email from an old Internet friend changes everything....With a heartwarming online celebrity romance reminiscent of Jennifer E. Smith's *This Is What Happy Looks Like*, bestselling young adult author Kelly Oram has struck gold with her new adult contemporary retelling of the timeless fairytale classic *Cinderella*. "A story that has it all: tears, laughs, sparks and a drop-dead swoonworthy hero. Give it a while and DreamWorks will pick up this story for a movie adaptation, no doubt." Anna Katmore, Author of *Play With Me & Neverland* "Both funny and heart-wrenching, *Cinder and Ella* will give you all the feels. It's the best twist on the *Cinderella* tale I have come across. I am not just a fan of Kelly Oram. I am an addict." Cassie Mae, author of *Switched & How To Hook A Bookworm* "*Cinder & Ella* is a beautiful modern-day fairytale with a great cast of characters that made me laugh and swoon. It had me staying up late at night to read just one more chapter, and at the end, I was left with a big grin on my face." Cindi Madsen, USA Today Bestselling Author of *Falling For Her Fiancé & Cinderella Screwed Me Over*
