It is a 1987 starcraft islander recently painted with inboard motor. Seller said it ran 2 years ago but it has been sitting since in his yard. The floor is starting to get soft in some places and when we attempted to start it, the motor was not getting spark. I paid \$750 for the boat and trailer. I think I got a heck of a deal for a project.

Lyman Boats: Legend of the Lakes. . . is the definitive, all-inclusive history of the "Clinker-Built" boats that defined the lapstrake hull. Author Tom Koroknay has used his exclusive access to the original Lyman archives to tell the story of the Lyman family, their successful business, and the boats they built. Era by era, model by model, Koroknay details the development of the lapstrake boats proudly built by the Lymans and their employees. The book is illustrated with more than 120 rare black and white photographs selected from the Lyman archives, as well as about 70 modern color photos of various Lyman boats. This is a must-have volume for any classic wooden boat enthusiast.

Far in the future, 60,000 light-years from Earth, a loose confederacy of Terran exiles is locked in

battle with the enigmatic Protoss and the ruthless Zerg Swarm, as each species struggles to ensure its own survival among the stars -- war that will herald the beginning of mankind's greatest chapter or foretell its violent, bloody end. All Ardo Menikov ever dreamed of was to live in peace on the verdant colony world of Bountiful. But when the vicious Zerg Swarm attacked the colony and annihilated his loved ones, Ardo was forced to wake from his dream and accept the brutal realities of a war-torn galaxy. Now a confederate marine, charged with defending the worlds of the Terran confederacy, Ardo must come to terms with the painful memories of his past -- and the unsettling truths that may dominate his future.

More and more sailors and powerboaters are buying and relying on electronic and electric devices aboard their boats, but few are aware of proper installation procedures or how to safely troubleshoot these devices if they go on the blink.

In *Twenty Affordable Sailboats to Take You Anywhere* you will find in-depth reviews of twenty affordable, comfortable, and seaworthy sailboats. These boats range in size from 30-38 feet, an ideal size for the cruising couple, yet big enough to accommodate an occasional cruising hitchhiker or two. All of these boats were once prominent offerings, designed by some of the world's leading naval architects and produced by reputable manufacturers. These boats are still readily available in the used boat market. "Gregg has done a fine research job here, one pleasingly devoid of flim-flam. It's a truly helpful tool for those of you wading with trepidation into the murky waters of boat-buying." John Vigor, Author, *Twenty Small Sailboats to Take You Anywhere* "This book is a must for the boat shopper looking for an experienced vessel." Bob Bitchin - Founder/Editor, *Latitudes and Attitudes*

"How far would you chase hope? What if you could change the world? " The green has gone from Mariah's Ireland. Every garden and field that was once lush with crops is now lifeless muck. And yet Mariah holds one seed...the seed of hope to feed the hungry. Together with Liam, her staunchest supporter, Naomi the biologist, Deborah, whose son sold out to the Senate, and Peter the farm boy, she sets out to make Ireland green again. That is Mariah's hope. It is Mariah's dream. Mariah's dream will change everything.
