themselves, their feelings and opinions in the target language, acquiring all the language skills they need for effective communication.

A school Spanish course for beginners, Caminos Segunda Edición has been fully revised and updated to cover the QCA Scheme of Work for Spanish. It is fully differentiated with activities at two levels of difficulty and additional material on differentiated worksheets provides practice in all four skills at two levels of ability. Additions to the second edition include a stronger focus on grammar, improved and extended ICT offerings and regular and rigorous assessment. The course has been improved to include comments from users, giving teachers the confidence that their students are provided with all the necessary support. Caminos segunda edición is fully differentiated with activities at two levels of difficulty.- Additional material on differentiated worksheets provides even more practice in all four skills at two levels of ability.

Caminos 3 offers students complete preparation for GCSE/Standard Grade through full coverage of all five Areas of Experience, Grades A*-G. Mixed abilities are catered for in one carefully structured Student's Book by the use of symbols to indicate differentiated activities. Student motivation is encouraged through the use of material appropriate for the 14-16 year age group in both content and style. Full support for the teacher is provided through detailed notes, National Curriculum cross referencing, tapescripts and answers as well as general teaching advice. Student's Book and worksheet activities are supported by 7 cassettes of audio material.

With culturally thematic chapters and a traditionally organized grammar sequence, this is a solid and complete introductory course. It is ideal for instructors who want a balanced, contemporary course but not necessarily an innovative methodology. Although chapter changes in the new edition include an overall shortening, a trimming of grammar detail, and adding more visually-based activities, the basic methodology remains unchanged.
