CARBURETOR SERVICE AND PARTS MANUALS

One of the older carburetor companies in the USA, Carter started selling carburetors about 1909. While Carter sold to a number of smaller car manufacturers in the 1910-1920 period, Chevrolet in 1923 was Carter's first big customer. Carter was extremely successful after 1923, and by the late 1930's, according to some sources, had more than half of the carburetor business in the USA. After ...

Carter Carburetor Company in St. Louis, Missouri was established in 1909, and ceased operation in 1985. It was founded by William Carter, who started experimenting with automotive carburetors while running a successful bicycle shop. His first, cast brass carburetor could meter and deliver fuel more accurately than many competing units.

Carter Carburetor - Wikipedia

The BBD was a two-barrel carburetor manufactured by Carter during the 1960s and 1970s. The BBD was produced exclusively for Chrysler, Plymouth and Dodge vehicles. As with all carburetors, the BBD requires periodic adjustments. The idle mixture screws determine the amount of air and fuel distributed by the carburetor.
