Love him or loathe him, Chris Eubank is one of life's more eccentric personalities who has transcended the world of boxing and established himself as a media celebrity and role model to millions of fans the world over. His story is both gripping and extraordinary.

IT WAS past three o'clock in the morning when Joe Calzaghe experienced the sweetest validation of his professional life. Victory over Jeff Lacy, a 28-year-old American compared to a young Mike Tyson because of his power and "take-no-prisoners attitude", left no one in doubt about the world super middleweight champion's talent. For years, Calzaghe's virtuosity remained a legend of the Welsh valleys. His defeat in 1997 of Chris Eubank brought him to prominence, winning for him the World Boxing Organisation (WBO) super middleweight title. But despite a record number of defences of the belt, his career lacked a defining contest. A long line of challengers and ex-titleholders were disposed of but the biggest names in American boxing avoided the ultimate showdown he craved. Hand injuries further obscured the true level of his aptitude for an art he began to learn from his father, Enzo, at the age of eight when - inspired by Sugar Ray Leonard - a rolled-up carpet in the family home in Newbridge became a makeshift heavy bag. This is the story of Calzaghe's extraordinary life, from his humble beginnings in his hometown of Newbridge, to his ascent to personal greatness, becoming the first super middleweight boxer to win the prized belt awarded by The Ring, the bible of boxing, in the division's near 20-year history. One of Britain's foremost sporting champions, a warrior and working-class hero, this is the story of the triumphs and trials that made Calzaghe a legend.

This is the autobiography of Michael Watson, the former Commonwealth Middleweight champion, whose career was tragically cut short. In 1991 he had a world title fight with Chris Eubank - the people's champion against the guy we love to hate. Eubank retained his belt, but it was one of the most controversial decisions in British boxing history. The Rematch was the biggest super middleweight title fight British boxing had ever seen. Tragically, in the eleventh round, Watson caught his neck on the back of the ropes after taking an uppercut from Eubank. He collapsed and suffered serious brain damage which left him paralysed. After years of intensive therapy, and with the same determination and strength of spirit that he showed in the ring, Michael Watson has made a remarkable recovery and won the biggest fight of all - the fight for his life. The Biggest Fight is a testament to why Michael Watson was, is, and always will be 'the people's champion'.

NIGEL BENN is a powerhouse among boxers. Known to his fans as the Dark Destroyer, all of his first 22 professional fights ended with him knocking out his opponents - half of them before the first round was over. In this book, Nigel Benn tells it like it is. From the grim days he spent in the army in Northern Ireland, to his notorious battle with Chris Eubank. From the women of his past - including the girl who took his virginity when he was just twelve years old and the numerous women he has romanced since - to the love and support he has now found with his wife Carlyne and his adored children. Nigel also reveals all about the murky world of boxing politics; how the tragic death of his elder brother led him to psychotherapy; how the hypnotist Paul McKenna got Nigel's life back on track. From fighter to family man, this book explores the contrasts that make up the figure of a mighty world champion. 'NO TRUE BOXING FAN SHOULD MISS THIS BOOK - UNPUTDOWNABLE.' THE SUN 'LETS THE READER HAVE IT WITH BOTH FISTS FROM THE OPENING BELL.' BOXING MONTHLY

Be sure to check out IRON AMBITION: My Life with Cus D'Amato by Mike Tyson 'Raw, powerful and disturbing' a head-spinning take on Mr. Tyson's life. 'Wall Street Journal Philosopher, Broadway headliner, fighter, felon' Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet even after hitting rock bottom the man who once admitted being addicted 'to everything' fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

**\*\* TELEGRAPH SPORTS BOOK OF THE YEAR \*\* DOUBLE WINNER: BEST AUTOBIOGRAPHY & BEST OVERALL SPORTS BOOK OF 2020 INCLUDES A NEW CHAPTER ON WILDER VS FURY 2** 'Incredible stories... you don't have to be a boxing fan to enjoy it' SCOTT MILLS, BBC RADIO 1 'One of sport's most heart-warming stories' SUNDAY TIMES, SPORTS BOOK OF THE YEAR 'A must-read for any boxing fan.' WORLD BOXING NEWS 'If you know someone who is a fan of the People's Champion then they'll love this.' TALKSPORT XMAS

GIFT GUIDE The extraordinary story of the rise and fall and rise again of Tyson Fury... THE GYPSY KING. A Manchester lad from Irish Traveller stock, born three months premature and weighing just a pound at birth, Tyson (named after his father's boxing hero) grew up to become one of the most unlikely heavyweight champions in history. This 'dream come true' soon turned to nightmare, however, as alcohol and cocaine abuse took hold and Tyson was stripped of his titles. What followed was the darkest moment of his life - detailed in this book for the first time - in which he came within seconds of ending everything. THE PEOPLE'S CHAMPION. Like all the greatest stories, though, there is redemption and Tyson defies all the odds and literally drags himself to his feet. 10 million people around the globe watched Fury fight Wilder in the biggest fight of the boxing calendar. Speaking candidly about his struggles with mental health, this is Tyson Fury as you have never seen him before. A BRITISH ICON. Behind the Mask is an unflinching autobiography from the greatest boxer of our time and a man who has demonstrated strength of a very different kind by conquering his demons. 'It's a great book, if I could read, I'd buy it' BILLY JOE SAUNDERS, WBO World Super-Middleweight Champion 'I didn't believe boxers could be role models, but Tyson Fury has changed my mind... This 30-year-old Mancunian has made us all think twice about the possibilities of redemption.' SIMON KELNER, INDEPENDENT 'Tyson Fury has become Britain's most unlikely inspirational figure... the sight of a broken Fury caught a mood with the public. Never was the epithet "People's Champion" more apt' RON LEWIS, THE TIMES 'Tyson Fury is an amazing real-life champion' SYLVESTER STALLONE, star of Rocky 'You may not have any interest in boxing at all and you will find this story about Tyson's life fascinating' BBC RADIO 5 LIVE 'An unusual, heartening story, nicely told. There is much to amaze and admire' SUNDAY TIMES

2014 marked the 25th anniversary of the first bout in the epic battle between Nigel Benn, Michael Watson and Chris Eubank to contest the WBO Middleweight Championship that would keep us entertained for five manic, magnificent and ultimately tragic years, marking the start of an epic saga in British Boxing. The fight took place a month after the Hillsborough disaster and was screened live on TV, in a slot now dominated by talent contests. It was a time when kids could stay up late to watch 12 rounds of madness. It was also the last Golden Era of British Boxing. While for us these greats of British boxing provided entertainment away from the hooliganism of football, for them it was much more personal. Rivalries exist in every sport, but their loathing was real and in the ring it nearly became deadly. But this is what the swaggering early-90's Britain tuned in for. These three fighters were Britain's alpha-ego. They made the country proud. No Middle Ground takes us back to the years when these boxers pounded the heavy bags and tells their story as well as that of Britain's love affair with the sport, and how these fight came to define them and us. In tracing the boxers' journeys to centre-stage Sanjeev Shetty reveals the story of the dark side of Thatcher's nation - the blood, the sweat, the dangerous hatred that fuelled these men, and the ultimate price they would pay for their moment in the sun.

David 'The Hayemaker' Haye is the former WBA world heavyweight champion and the former undisputed (WBA, WBC and WBO) world cruiserweight champion. Haye is one of British boxing's most celebrated and successful ring champions of the modern era and has won twenty-three of twenty-five professional fights. He has twice been shortlisted for BBC Sports Personality of the Year and is now recognised as the face of British and world boxing. Haye was involved in the biggest heavyweight title clash for nearly a decade when he fought Wladimir Klitschko in July 2011, with the fight televised live in over 140 countries. Although Haye ultimately lost his belt, following a twelve-round points decision, his charismatic approach has reminded fight fans of a time when the heavyweight championship was the greatest prize in sport. This is the authorised story of how Haye reached this point, and details the ten-year rise of the boxer from a precocious World Amateur Champion. Crafted by close confidant Elliot Worsell, Making Haye offers behind-the-scenes, never-before-told insights into some of the most pivotal ring wars of David Haye's turbulent, and at times controversial, professional boxing career.

As my future crumbled before my eyes, I grasped for the rope. My entire life's struggle was ending here, in plain view of my enemies. How was it possible? How had I let things come to this? This is not the story of a celebrity sportsman. It's not the story of a life covered in glory with its attendant cavalcade of famous friends, easy wins and glamorous encounters. Errol Christie may have been one of the most promising British boxers of his generation - a Fight Night poster boy, captain of the England boxing team, English and European champion, and a cocky, Ali-esque dancer with a reputation for devastating early knockouts - but this is not that story. This is a story about fighting. Coventry in the dying days of the Seventies was a tough place to grow up - especially if you were poor and black. At the same time as the young Errol Christie was raising the flag in the ring, his fists were seeing off skinhead tormentors and NF bootboys on the streets. Britain was sickening from a vicious racial divide, and even when the big time turned up Errol soon discovered that a black boxer who refused to play by the rules - white rules - would never be tolerated. In 1985, after a string of professional knockouts, Errol faced Mark Kaylor in a brutal bout that tore open the country's simmering racial enmities. In the eighth round he went down - and stayed down, the roar of the hard right in his ears. But the years that followed would see Errol square up against a far tougher adversary - as he found himself out in the cold, struggling to get by, and alone with only his own shattered confidence and no place to hide.

History's only four-time world heavyweight boxing champion and one of America's most admired and beloved athletes reveals the dramatic story of his rise from poverty to the very pinnacle of the toughest sport on earth. Barely able to make it into the heavyweight division and almost always the smaller fighter in the ring, Holyfield spent his professional career proving the naysayers wrong. Along the way he provided some of the twentieth century's most thrilling sports moments, not all of them on purpose. In Becoming Holyfield, he gives us the exciting inside story of defeating Mike Tyson, the self-proclaimed "Baddest Man on Earth," and then getting a piece of his ear bitten off in the rematch. We learn how it felt to become the undisputed champion of the world by knocking out the man who knocked out Tyson, and we find out what it was really like to be in the middle of a title fight and see a motorized parachute fly right into the ring. There is heartbreak to go along with triumph, beginning with Holyfield's loss of an Olympic gold medal because of a highly controversial disqualification and continuing through his short-lived retirement following a misdiagnosed heart condition. Along the way we're treated to glimpses of such colorful figures as Don King and Howard Cosell and we come to understand the extra-ordinary power of love in shaping a young boy's life, and the love he tried to return. Holyfield made more money in the ring than any other fighter in history, and gave away millions to support the dreams of underprivileged kids looking for the same kinds of breaks that allowed him to become a champion. Holyfield's immense popularity cannot be overstated, and it cuts across all ethnicities and socioeconomic classes. The top three highest-grossing sporting events in Las Vegas history were all Holyfield fights, and his highly rated appearances on Dancing with the Stars helped to ensure that show's success. Other fighters may have been bigger, stronger, or more flamboyant, but few could match Evander Holyfield's poise, grace under pressure, or commitment to serve as an inspiration to others.
