Sparkling with a wit and grandeur eminently suited to its larger-than-life subject, Jenkins’s monumental tome is the most accessible one volume account of Churchill yet written.

Churchill by Roy Jenkins | Waterstones

Roy Jenkins, a great statesman in his own right, wrote before his death a mega biography of this great man, without any nuances; Churchill was unpopular and considered crassly ambitious and arrogant in his political life from 1903 to 1939. Even then, he was considered a dangerous warmonger. In 1945, the voters luckily remembered who he was in

Churchill by Roy Jenkins - Goodreads

Roy Jenkins macht Winston Churchill erlebbar und, soweit das überhaupt möglich ist, begreifbar. Für nichtbritische Leser besonders nützlich sind seine Erläuterungen des britischen Wahlsystems und seiner Konsequenzen wie zum Beispiel der lange Zeit vorgeschriebenen Nachwahlen, denen sich ein Abgeordneter stellen musste, wenn er Regierungsmitglied wurde. Natürlich ist Roy Jenkins Churchill ...

“We are all worms. But I do believe I am a glow-worm.” --Churchill Winston Churchill's inspiring leadership in the Second World War once made him above criticism. In recent years his record has come under attack from revisionists. In Churchill: A Study in Greatness one of Britain's most distinguished historians rebuts these charges and makes sense of this extraordinary man and his long controversial, colourful, contradictory and heroic career. Geoffrey Best brings out both his strengths and his weaknesses, looking past the many received versions of Churchill in a biography that balances the private and the public man and offers a clear insight into Churchill's greatness. “We are all worms. But I do believe I am a glow-worm.” --Churchill Winston Churchill's inspiring leadership in the Second World War once made him above criticism. Geoffrey Best brings out both his strengths and his weaknesses, looking past the many received versions of Churchill in a biography that balances the private and the public man and offers a clear insight into Churchill's greatness.

From the New York Times bestselling author of Churchill, a towering historical biography, available for the first time in paperback. William Gladstone was, with Tennyson, Newman, Dickens, Carlyle, and Darwin, one of the stars of nineteenth-century British life. He spent sixty-three of his eighty-nine years in the House of Commons and was prime minister four times, a unique accomplishment. From his critical role in the formation of the Liberal Party to his preoccupation with the cause of Irish Home Rule, he was a commanding politician and statesman nonpareil. But Gladstone the man was much more: a classical scholar, a wide-ranging author, a vociferous participant in all the great theological debates of the day, a voracious reader, and an avid walker who chopped down trees for recreation. He was also a man obsessed with the idea of his own sinfulness, prone to self-flagellation and persistent in the practice of accosting prostitutes on the street and attempting to persuade them of the errors of their ways. This full and deep portrait of a complicated man offers a sweeping picture of a tumultuous century in British history, and is also a brilliant example of the biographer’s art.
