Unchained The Phoenix Transformed The Phoenix Endangered The Obsidian Trilogy: The Outstretched Shadow To Light a Candle When Darkness Falls

New York Times and USA Today bestselling authors Mercedes Lackey and James Mallory teamed up to write The Obsidian Trilogy, set in a wondrous world filled with magical beings, competing magic systems, and a titanic struggle between good and evil. That world proved so popular with the creators and readers alike that Lackey and Mallory have returned to it with The Phoenix Unchained, Book One of The Enduring Flame, the opening volume of a new epic fantasy trilogy. After a thousand years of peace, much Magick has faded from the world. The Elves live far from humankind. There are no High Mages, and Wild Mages are seen only rarely. Bisochim, a powerful Wild Mage, is determined to reintroduce Darkness to the world, believing that it is out of Balance. Tiercel, a young Armethalian nobleman, is convinced that High Magic is not just philosophy. He attempts a spell—and draws the unwelcome attention of Bisochim. Tiercel survives Bisochim's attack and begins trying to turn himself into a High Mage. Next in line to be Harbormaster of Armethalieh, Harrier instead finds himself regularly saving Tyr's life and meeting magickal people and creatures. To Harrier's dismay, it seems that he must become a hero. In The Phoenix Unchained, Harrier and Tiercel begin a marvelous journey to uncover their destinies. Along the way, they meet a charming female centaur, several snooty Elves, and the most powerful dragon their world has ever known. Runacarendalur Caerthalien has been a master of battle for hundreds of years, but he found himself on the wrong side—the losing side—in the last war. Betrayed by his brother, trapped in a prophecy he does not understand, Runacar flees the battlefield. Yet Runacar is no coward. In a twist he could never have imagined, the Elven War-Prince finds himself leading a new army into battle—a force of centaurs, merfolk, gryphons, minotaurs, and talking bears who can perform magic. For centuries they have been trying to reclaim their lands from Elven invaders. With Runacar at the helm, they just might manage it. Mercedes Lackey and James Mallory's first collaboration, the Obsidian Mountain trilogy, introduced readers to a brilliant, continent-spanning fantasy world of high adventure and epic battle. Civilization shimmered with magic while in the nooks and crannies of the world, dragons and unicorns hid from people who believed them to be nothing more than legends. The Dragon Prophecy, set thousands of years before that story, illuminates a time when long-lived Elves rule the Fortunate Lands. It is a time of dire prophecy, of battle and bloodshed, of great magics unlike any the Elvenkind have seen before. It is the story of the end of one world and the beginning of the next. In The Outstretched Shadow, which was named by VOYA as Best Science Fiction, Fantasy, and Horror book for 2003, Mercedes Lackey and James Mallory introduced readers to The Obsidian Trilogy and a complex new fantasy world populated by humans, centaurs, elves, talking unicorns, and demons. The Golden City of the Bells, where only humans live, is ruled by the Mage Council, practitioners of High Magic—a powerful magic that is stable and reliable, though rigidly controlled and performed only by men. Outside the City's walls, humans and magical beings mix freely and call upon Wild Magic—a system sometimes erratic, always driven by desire and need, and performed by both men and women. Now, in To Light a Candle, the Demon Queen sends her forces against her human and elven enemies, sowing distraction and death. In the human City, the Queen's agents work to divide the Council and foment rebellion among the City's citizens. In the countryside, they target the most vulnerable and valuable—the young Elf Prince and the Wild Mages who might be the Demons' most dangerous enemies. To his own surprise, young Kellen, once the disappointing son of the great Mage who leads the City's Mage Council, has become a powerful Knight-Mage. Valued for his bravery and his skills as both wizard and warrior, Kellen joins the Elves' war councils. Yet he cannot convince the City of his birth that it is in terrible danger. Kellen's sister Idalia, a Wild Mage with great healing ability, has pledged her heart to Jermayan, a proud Elven warrior. Someday Idalia will pay a tragic Price for a world-saving work of Wild Magic, but until then, she will claim any joy life can offer her. Jermayan, who has learned much while fighting at Kellen's side and loving the human Idalia, finds that everything changes when he Bonds with a dragon while rescuing the Elf Prince and becomes the first Elven Mage in a thousand years. Furious at her enemies' success with the dragon, the Demon Queen attacks in force. Light struggles against Dark, like flickering candle flames buried deep in the shadow of Obsidian Mountain. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Game of Thrones meets Gladiator in this blockbuster debut epic fantasy about a world caught in an eternal war, and the young man who will become his people's only hope for survival. ONE OF TIME MAGAZINE'S TOP 100 FANTASY BOOKS OF ALL TIME Winner of the Reddit/Fantasy Award for Best Debut Fantasy Novel The Omehi people have been fighting an unwinnable war for almost two hundred years. The lucky ones are born gifted. One in every two thousand women has the power to call down dragons. One in every hundred men is able to magically transform himself into a bigger, stronger, faster killing machine. Everyone else is fodder, destined to fight and die in the endless war. Young, gift-less Tau knows all this, but he has a plan of escape. He's going to get himself injured, get out early, and settle down to marriage, children, and land. Only, he doesn't get the chance. Those closest to him are brutally murdered, and his grief swiftly turns to anger. Fixated on revenge, Tau dedicates himself to an unthinkable path. He'll become the greatest swordsman to ever live, a man willing to die a hundred thousand times for the chance to kill the three who betrayed him. The Rage of Dragons launches a stunning and powerful debut epic fantasy series that readers are already calling "the best fantasy book in years." The BurningThe Rage of Dragons

Five royal houses will hear the call to compete in the Trial for the dragon throne. A liar, a soldier, a servant, a thief, and a murderer will answer it. Who will win? Three Dark Crowns meets The Breakfast Club with DRAGONS. When the Emperor dies, the five royal houses of Etrusia attend the Call, where one of their own will be selected to compete for the throne. It is always the oldest child, the one who has been preparing for years to compete in the Trial. But this year is different. This year these five outcasts will answer the call... THE LIAR: Emilia must hide her dark magic or be put to death. THE SOLDIER: Lucian is a warrior who has sworn to never lift a sword again. THE SERVANT: Vespis is a dragon trainer whose skills alone will keep her in the game. THE THIEF: Ajax knows that nothing is free--he must take what he wants. THE MURDERER: Hyperia was born to rule and will stop at nothing to take her throne.

In this "relentlessly gripping, brilliant" epic fantasy (James Islington), an ousted queen must join forces with a young warrior in order to reclaim her throne and save her people. Tau and his Queen, desperate to delay the impending attack on the capital by the indigenous people of Xidda, craft a dangerous plan. If Tau succeeds, the Queen will have the time she needs to assemble her forces and launch an all out assault on her own capital city, where her sister is being propped up as the 'true' Queen of the Omehi. If the city can be taken, if Tsiora can reclaim her throne, and if she can reunite her people then the Omehi have a chance to survive the onslaught.
