HUMAN INTEREST David ' s life changes for the worse when his mother dies and he is left with a cruel stepfather who sends him to work in London. But he doesn ' t want to work in a factory all his life, so he runs away and finds a kind relative who is willing to help him. As David grows up, he learns that life is full of trouble, hardship and cruelty. But he also finds friendship, kindness and ... love. Dossiers: Dover, Australia

An electrifying modern language reimaging of Shakespeare ' s classic tale of vengeance - the much-requested text of the international bestselling audiobook voiced by Richard Armitage. It is a tale of ghosts, of madness, of revenge - of old alliances giving way to new intrigues. Denmark is changing, shaking off its medieval past. War with Norway is on the horizon. And Hamlet - son of the old king, nephew of the new - becomes increasingly entangled in a web of deception - and murder. Struggling to find his place in this strange new order Hamlet tries to rekindle his relationship with Ophelia - the daughter of Elsinore ' s cunning spy master, a man with plots of his own. Hamlet turns for advice and support to the one person he can trust -- Young Yorick, the slippery, unruly jester, whose father helped Hamlet through a difficult childhood. And all the while the armed forces of Fortinbras, prince of Norway, start to assemble, threatening to bring down Elsinore forever.
