Eleanor of Provence was a French noblewoman who became Queen consort of England as the wife of King Henry III from 1236 until his death in 1272. She served as regent of England during the absence of her spouse in 1253. Although she was completely devoted to her husband, and staunchly defended him against the rebel Simon de Montfort, 6th Earl of Leicester, she was

Scholarly activity, Margaret Howell's thought-provoking study of King Henry III's queen, Eleanor of Provence: Queenship in Thirteenth-Century England, has come as a welcome, timely and much-needed addition. Until now this most remarkable queen consort has not only lacked a biography but she has also received far less than her fair share of attention from thirteenth-century specialists.

Eleanor Of Provence Queenship In Thirteenth Century ...

Queen Eleanor of Provence is shown as a strong and loyal wife, if a very acquisitive one, who amassed a fortune in her lifetime, in an era when women were meant to be subservient to their husbands. Her husband King Henry III, a king with a rather troubled reign was extremely fond of her.
