While the book is by no means a great piece of literature its a strong and fun collection of storytelling about Mr. Berry's and others' experiences with fantasy sports. It's easy to read and especially nice over the summer (when I read it) as the fantasy football season is approaching.

An inside assessment of the world of fantasy sports by the ESPN Senior Fantasy Analyst reveals the life-shaping impact of the multi-billion-dollar national pastime while chronicling his own rise to a leading figure in fantasy sports.

An inside assessment of the world of fantasy sports by the ESPN Senior Fantasy Analyst reveals the life-shaping impact of the multi-billion-dollar national pastime while chronicling his own rise to a leading figure in fantasy sports.

Includes new chapters with small, easy-to-understand words. Bestselling words! Fantasy football, fantasy baseball, fantasy basketball, even fantasy sumo wrestling: the world of fantasy sports is huge, and still growing. Today, more than 35 million people in the United States and Canada spend hours upon hours each week on their fantasy sports teams. And as the Senior Fantasy Sports Analyst for ESPN, Matthew Berry is on the front lines of what has grown from a niche subculture into a national pastime. In his New York Times-bestselling Fantasy Life, Berry celebrates every aspect of the fantasy sports world. Brilliant trash talk. Unbelievable trophies. Insane draft day locations. Shake-your-head-in-disbelief punishments. Ingenious attempts at cheating. And surprisingly uplifting stories that remind us why we play these games in the first place. Written with the same award-winning style that has made Berry one of the most popular columnists on ESPN.com, Fantasy Life is a book for both hard-core fantasy players and people who have never played before. Between tales of love and hate, birth and death, tattoos and furry animal costumes, the White House Situation Room and a 126-pound golden pelican, Matthew chronicles his journey from a fourteen-year-old fantasy player to the face of fantasy sports for the largest sports media company in the world. Fantasy will save your life. Fantasy will set you free. And fantasy life is most definitely better than real life. You ' ll see.

Packed with expert advice and timely tips The fun and easy way to guide your team to glory in fantasy football Fantasy football can be an addictive hobby. But if you've never played before, how do you start? Have no fear! This friendly guide explains the game to you from start to finish -- from scouting and drafting your players to building your coaching skills to planning your strategy. And who knows, perhaps even to tasting victory in your league championship! Understand the basics of the game Pick the league right for you Assemble your dream team in the draft Develop your in-season management skills Know which quick fixes work and what common mistakes to avoid

"Jenny made me laugh so hard I feared for my safety! I think that's how she was able to get past my defenses and make me feel more okay about myself." -Allie Brosh, author ofHyperbole and a Half For fans of David Sedaris, Tina Fey, and Mindy Kaling-the new book from Jenny Lawson, author of the #1New York Times bestseller LET'S PRETEND THIS NEVER HAPPENED... In LET'S PRETEND THIS NEVER HAPPENED, Jenny Lawson baffled readers with stories about growing up the daughter of a taxidermist. In her new book,FURIOUSLY HAPPY, Jenny explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. And terrible ideas are what Jenny does best. According to Jenny: "Some people might think that being 'furioulsly happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invitea herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says thatnone is the new limit. I say he should have been clearer about that before I rented all those kangaroos." "Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote inThe Breakfast Club, "We're all pretty bizarre. Some of us are just better at hiding it." Except go back and cross out the word "hiding." Jenny's first book, LET'S PRETEND THIS NEVER HAPPENED, was ostensibly about family, but deep down it was about celebrating your own weirdness.FURIOUSLY HAPPY is a book about mental illness, but under the surface it's about embracing joy in fantastic and outrageous ways-and who doesn't need a bit more of that?

A collection of spiritual lessons, anecdotes, and thoughts on the Divine ' s intervention in our lives, this brilliantly written and wonderfully entertaining book teaches us how to live purposefully and in line with the Force of Love. " What if the Divine is constantly igniting roadside flares to get our attention? What if there actually is a Supreme Organizing Principle with an unbridled sense of humor? And what if we each have this ardent inner suitor who ' s writing us love letters every day that often go unopened? " Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Toshi Silver realized that almost all of us have similar concerns: " How do I stop worrying? How can I feel safe? Why do I feel so alone? " And often, " Who am I really? " For the passionately spiritual and the bemusedly skeptical alike, she created Outrageous Openness. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life ' s big questions as they spontaneously arise. At its heart, Outrageous Openness opens the door to a profound truth: By allowing the Divine to lead the way, we can finally put down the heavy load of hopes, fears, and opinions about how things should be. We learn how to be guided to take the right actions at the right time, and to enjoy the spectacular show that is our life.

There is a sickness in the land. Prophets tell of the fall of empires, the rise of champions. Great beasts stir in vaults beneath the hills, beneath the waves. Armies mass. Gods walk. The world will be torn asunder. Epic fantasy is storytelling at its biggest and best. From the creation myths and quest sagas of ancient times to the mega-popular fantasy novels of today, these are the stories that express our greatest hopes and fears, that create worlds so rich we long to return to them again and again, and that inspire us with their timeless values of courage and friendship in the face of ultimate evil—tales that transport us to the most ancient realms and show us the most noble sacrifices, the most astonishing wonders. Now acclaimed editor John Joseph Adams (Wastelands, The Living Dead) brings you seventeen tales by today ' s leading authors of epic fantasy, including George R. R. Martin (A Song of Ice and Fire), Ursula K. Le Guin (Earthsea), Robin Hobb (Realms of Elderlings), Kate Elliott (Crown of Stars), Tad Williams (Of Memory, Sorrow & Thorn), Patrick Rothfuss (The Kingkiller Chronicle), and more. Return again to lands you ' ve loved or visit magical new worlds. Victory against the coming darkness is never certain, but one thing ' s for sure—your adventure will be epic.

Shortly before he passed away in January 2015, much-loved U.S. sports commentator Stuart Scott completed work on this memoir. It was both a labour of love and a love letter to life itself. Not only did Stuart relate his personal story, he shared his intimate struggles to keep his story going. Struck by appendicular cancer in 2007, Stuart battled this rare disease with tenacity and vigour. He wanted to be there for his daughters as an immutable example of determination and courage. Every Day I Fight is a saga of love and an inspiration to us all.

In the exclusive behind the scenes look, sports fans can unlock the fascinating history of the channel that changed the way people watch and interact with their favorite teams. It began, in 1979, as a mad idea of starting a cable channel to televise local sporting events throughout the state of Connecticut. Today, ESPN is arguably the most successful network in modern television history, spanning eight channels in the Unites States and around the world. But the inside story of its rise has never been fully told-until now. Drawing upon over 500 interviews with the greatest names in ESPN's history and an All-Star collection of some of the world's finest athletes, bestselling authors James Miller and Tom Shales take us behind the cameras. Now, in their own words, the men and women who made ESPN great reveal the secrets behind its success-as well as the many scandals, rivalries, off-screen battles and triumphs that have accompanied that ascent. From the unknown producers and business visionaries to the most famous faces on television, it's all here.

" Exquisite. Full of wry humor, tenderness, and compassion. " —Jeannette Walls, New York Times bestselling author A hilarious and heartbreaking memoir about a mother and son ' s outlandish odyssey of self-discovery, and the rag-tag community that rallied to help them when they needed it most. Dan Mathews knew that his witty, bawdy seventy-eight year-old mother, Perry, was unable to maintain her fierce independence—so he flew her across the country to Virginia to live with him in an 1870 townhouse badly in need of repairs. But to Dan, a screwdriver is a cocktail not a tool, and he was soon overwhelmed with two fixer-uppers: the house and his mother. Unbowed, Dan and Perry built a rollicking life together: fueled by costume parties, road trips, and an unshakeable sense of humor as they faced down hurricanes, blizzards, and Perry ' s steady decline. They got by with the help of an ever-expanding circle of sidekicks—Dan ' s boyfriends (past and present), ex-cons, sailors, strippers, deaf hillbillies, evangelicals, and grumpy cats—while flipping the parent-child relationship on its head. But it wasn ' t until a kicking-and-screaming trip to the emergency room that Dan discovered the cause of his mother ' s unpredictable, often caustic behavior: undiagnosed schizophrenia. Irreverent and emotionally powerful, Like Crazy is a " journey to self-acceptance and ultimately finding love " (Alan Cumming) and shows the remarkable growth that takes place when a wild child settles down to care for the wild woman who raised him.
