The Foundation does not make grants to businesses or individuals nor does it make loans of any type. Grant applications are accepted online throughout the year for review by the Board of Directors. The process generally takes several months therefore applicants should plan accordingly if funding is desired by a certain date.

Grant Guidelines - The Cullen Foundation

For one-time grants, the recipient organization is required to provide an accounting within 12 months of receipt of the grant as to the use of the funds. For a multi-year grant, the recipient organization is required to provide an annual accounting of how the funds granted in the previous year were used.

Grant Guidelines - Cambridge Charitable Foundation

Guidelines. As an independent funder, an important part of our role is to support work which is untried, tests new approaches but has clear objectives. We favour work which could change the way issues are tackled in our society and which could have lessons for others beyond the funded organisation. We receive many more applications than we can fund and for this reason have a two-stage application process to reduce the time and effort you spend making your application.

Guidelines | The Rayne Foundation

To help determine if a grant request is the type normally considered by the foundation, prior to submitting a formal Request for Grant, the foundation requests applicants to send a preliminary letter of one to two pages in length which describes: General background and purpose of the organization and the geographical area it serves

Grant Guidelines | TouchPoint Foundation

The Foundation's Grant Proposal Guidelines provide detailed instructions on how to prepare and submit an invited proposal. The proposal should present information in a clear and concise way that enables the Foundation to assess the scope and significance of the proposed grant.
