(PDF) Governance and Development - ResearchGate

governance framework that is increasingly influenced by conflicts over the resource. It discusses how legal, governance and policy frameworks for water resources have been contested in recent decades, an era of intensifying (neo)liberalisation and globalisation, and rapid economic growth in many parts of the world.

Water and Development: conflict and governance: PG course -

When money and resources available to government are diverted by corrupt officials instead of being channeled for the benefit of citizens, the clock turns back on social and economic development. This, in turn, can create further instability. In these ways, corruption, governance, and conflict are all linked.

Governance, corruption, and conflict

K4D COVID-19 Conflict and Governance Evidence Summary No.12 7 August 2020 This week features resources on: Yemeni women's role in the C19 response , amidst war; how C19 has changed the focus and urgency of governance discourses more in six months than anything over the last decade; popular pandemic messaging frames from authoritarian actors; and how C19 intersects with political tensions in ...
