heartbreak - Best Sad Stories | Sad Love Stories | Lover ...
Love and heartbreak are on two ends of the same spectrum; to know one, you must know the other. Know that if you are feeling sad and in the dark, things can only get better and brighter.

To Know True Love, You Must Know Heartbreak
In the Heart of the Skyclave starts from the point of view of Nahiri, a character familiar to most fans of Magic 's story. Nahiri is an ancient Kor (a race of pale-skinned humanoids native to Zendikar) who is a master of lithomancy, the art of manipulating stone.

Magic: The Gathering - In the Heart of the Skyclave, Explained
In 1988, the story was also animated by Japan's Nippon Animation studio for its Grimm's Fairy Tale Classics series; the title of the episode in the English version produced by Saban Entertainment is The Magic Heart. It made a few alterations to the story.

This book collects eight stories of fantasy, horror, and science fiction from the imagination of award-winning writer Ian Rosales Casocot: A young man discovers the malevolence of first love. A boy travels back in time in search of history and his name. A neighborhood is besieged by a resurrected evil in their midst. A clone of Jose Rizal uncovers surprising secrets. A heartbroken girl harnesses magic to win a boy's love, and almost destroys the world.

If drugs were people you met at a party, ganja and hashish would be the middle-aged guys in dirt-starched jeans sitting on the terrace strumming a guitar. They would say things like 'dude, check out the moon' a lot. Acid would be the amateur DJ mixing Buddha Bar and Ibiza trance, trying to catch all the pretty colours drifting from the sound speakers. Ecstasy the young girl touching herself, touching everybody, touching the walls, making love to the world... Heroin. She's the bitch in the corner, man, just an ageless coldhearted bitch in a business suit. Billy Joel wrote a song about her. Not far from Mumbai is a rehab called Land, founded by Dr Yusuf Merchant (or Doc, as he is known among his patients). A meeting point for those suffering from a range of addictions and behavioural disorders, Land holds extraordinary stories of tragedy, fortitude and survival-including Doc's own story. In White Magic, Arjun Nath looks back on the time he spent at Land as a recovering heroin addict: the rules and rituals, the agony of withdrawal and the moments of lightness he shared with his fellow inhabitants. Woven into this personal record is the tale of the maverick doctor's several incarnations: from Ismail to Yusuf to Bhai to Doc. Sharp, sensitive, yet full of swag, White Magic is an outstanding achievement.

Teenage baker Syd sends ripples of heartbreak through Austin ' s queer community when a batch of post-being-dumped brownies turns out to be magical—and makes everyone who eats them break up. “ What ’ s done is done. ” Unless, of course, it was done by my brownies. Then it ’ s getting undone. Syd (no pronouns, please) has always dealt with big, hard-to-talk-about things by baking. Being dumped is no different, except now Syd is baking at the Proud Muffin, a queer bakery and community space in Austin. And everyone who eats Syd ’ s breakup brownies . . . breaks up. Even Vin and Alec, who own the Proud Muffin. And their breakup might take the bakery down with it. Being dumped is one thing; causing ripples of queer heartbreak through the community is another. But the cute bike delivery person, Harley (he or they, check the pronoun pin, it ’ s probably on the messenger bag), believes Syd about the magic baking. And Harley believes Syd ’ s magical baking can fix things, too—one recipe at a time.

How far would you go for happily ever after? 'An unputdownable fairy tale' Kerri Maniscalco, New York Times bestselling author of Kingdom of the Wicked From the #1 Sunday Times bestselling author of the Caraval series, the first book in a new series about love, curses, and the lengths that people will go to for happily ever after. For as long as she can remember, Evangeline Fox has believed in happily ever after. Until she learns that the love of her life is about to marry another, and her dreams are shattered. Desperate to stop the wedding, and heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game - and that the Prince of Hearts wants far more from her than she pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy . . . 'A sugar-crusted, poison-spiked romp through a vibrant world of fairy tale intrigue, tangled romance, and forbidden magic' Cassandra Clare, #1 New York Times bestselling author of The Last Hours 'Enchanting, intriguing, and delightfully whimsical' Bridgid Kemmerer, New York Times bestselling author of the Cursebreaker Series 'Enchanting and mysterious' Renée Ahdieh, New York Times bestselling author of The Wrath and the Dawn 'Stephanie Garber spins a spellbinding tale' Sabaa Tahir, author of New York Times bestseller Ember In the Ashes 'A dazzling mix of mystery, romance, and magic' Karen M. McManus, #1 New York Times bestselling author of One of Us Is Lying 'A deadly, addictive, and utterly enchanting fairy tale. Loaded with magic and steamy slow-burning romance, I couldn't put it down' Mary E. Pearson, New York Times bestselling author of Vow of Thieves

“ Brontez Purnell ’ s 100 Boyfriends is a symphony of sex, trouble and wisdom—as if the composer had sex with each member of the orchestra by way of getting it right. An electric prismatic genre-defying punk literary flight, Purnell is twirling here— I loved every page.” --Alexander Chee, author of How to Write an Autobiographical Novel An irreverent, sensitive, and inimitable look at gay dysfunction through the eyes of a cult hero "It ' s like that saying, 'Where god closes a door, he opens a window,' but in this particular case the window was on the fifth floor and the house was on fire." Transgressive, foulmouthed, and devastatingly funny, Brontez Purnell ’ s 100 Boyfriends is a revelatory spiral into the imperfect lives of queer men desperately fighting—and often losing—the urge to self-sabotage. His characters solicit sex on their lunch breaks, expose themselves to racist neighbors, sleep with their coworker ’ s husbands, rub Preparation H on their hungover eyes, and, in an uproarious epilogue, take a punk band on a disastrous tour of Europe. They also travel to claim inheritances, push past personal trauma, and cultivate community while living on the margins of a white supremacist, heteronormative society. Armed with a deadpan wit that finds humor in even the lowest of nadirs, Brontez Purnell—a widely acclaimed underground writer, filmmaker, musician, and performance artist—writes with the peerless zeal, insight, and horniness of a gay punk messiah. From dirty warehouses and gentrified bars in Oakland to desolate farm towns in Alabama, Purnell indexes desire, desperation, race, and loneliness with a startling blend of levity and vulnerability. Together, the slice-of-life tales that writhe within 100 Boyfriends are a singular and uncompromising vision of an unexposed queer underbelly. Holding them together is the vision of an iconoclastic storyteller, as fearless as he is human.

He kidnapped me. That was how I met Atlas Hyde. A man known by many names and admired by all. But most didn't know he was ruthless, conniving, and always got what he wanted. No matter the cost. I was a good girl. Never in trouble with the law. Never took drugs. Always did precisely what was expected of me. Even with his hand around my throat and words that cut sharper than knives, I couldn't help but wonder what happened to this beautiful man to make him that way. That wonder disappeared when he threatened to kill my sister if I didn't follow his dark demands. The good girl I once knew had now been buried alive beneath this game of hatred and lust. And I had a feeling Atlas Hyde never lost.

In this ode to all the things we gain and lose and gain again, seventeen-year-old Penelope Marx curates her own mini-museum to deal with all the heartbreaks of love, friendship, and growing up. Welcome to the Museum of Heartbreak. Well, actually, to Penelope Marx ’ s personal museum. The one she creates after coming face to face with the devastating, lonely-making butt-kicking phenomenon known as heartbreak. Heartbreak comes in all forms: There ’ s Keats, the charmingly handsome new guy who couldn ’ t be more perfect for her. There ’ s possibly the worst person in the world, Cherisse, whose mission in life is to make Penelope miserable. There ’ s Penelope ’ s increasingly distant best friend Audrey. And then there ’ s Penelope ’ s other best friend, the equal-parts-infuriating-and-yet-somehow-amazing Eph, who has been all kinds of confusing lately. But sometimes the biggest heartbreak of all is learning to let go of that wondrous time before you ever knew things could be broken...

San Francisco chef Dante Palermo is on the broken heart diet: he's lost the love of his life and twenty-five pounds. On an enchanted odyssey that takes him from San Francisco to Des Moines to Rome, Dante tries to overcome his heartache and win the heart of his inamorata.

Imagine if we treated broken hearts with the same respect and concern we have for broken arms? Psychologist Guy Winch urges us to rethink the way we deal with emotional pain, offering warm, wise, and witty advice for the broken-hearted. Real heartbreak is unmistakable. We think of nothing else. We feel nothing else. We care about nothing else. Yet while we wouldn ’ t expect someone to return to daily activities immediately after suffering a broken limb, heartbroken people are expected to function normally in their lives, despite the emotional pain they feel. Now psychologist Guy Winch imagines how different things would be if we paid more attention to this unique emotion—if only we can understand how heartbreak works, we can begin to fix it. Through compelling research and new scientific studies, Winch reveals how and why heartbreak impacts our brain and our behavior in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve, and to function at our best. In How to Fix a Broken Heart he focuses on two types of emotional pain—romantic heartbreak and the heartbreak that results from the loss of a cherished pet. These experiences are both accompanied by severe grief responses, yet they are not deemed as important as, for example, a formal divorce or the loss of a close relative. As a result, we are often deprived of the recognition, support, and compassion afforded to those whose heartbreak is considered more significant. Our heart might be broken, but we do not have to break with it. Winch reveals that recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on.
