Herbal Antivirals: Natural Remedies for Emerging ...
Herbal Antivirals: Natural Remedies for Emerging & Resistant Viral Infections (Paperback) As pharmaceuticals become less effective against emerging, resistant, and epidemic viral infections such as SARS, influenza, and encephalitis, a natural and herbal approach is proving more effective. In this companion to Herbal Antibiotics, Stephen Buhner clearly explains which emerging viruses the population is facing; the respiratory and nervous system infections these viruses cause; how to treat ...

Herbal Antivirals: Natural Remedies for Emerging ...
Herbal Antivirals is a sister book to Buhner's Herbal Antibiotics. Like its predecessor it focuses on herbal alternatives for medical treatments - this time antivirals. I'm really sold on the need to find alternative treatments for viruses and bacteria.

Stephen Harrod Buhner And this I believe: that the free, exploring mind of the individual human is the most valuable thing in the world. And this I would fight for: the freedom of the mind to take any direction it wishes, undirected.

Stephen Harrod Buhner

In 1998, Stephen Harrod Buhner - a leading herbal practitioner and author - published the first edition of "Herbal Antibiotics" to great acclaim. Since then, health care providers have discovered many new resistant strains of bacteria, researchers have added to the growing body of knowledge about herbs, and the need for antivirals to treat emerging infections like SARS and West Nile Encephalitis has become urgent.
