Lace up your boots, grab this guide, and explore the great outdoors! For this new edition, Adkins has retraced every path and accounted for any changes to the trails, making "the most essential hiking guide to Maryland" even better. Mountain treks or beach walks, remote western waterfalls or hidden trails, you'll find hikes for all skills and abilities.

From in-town urban hikes and walks to scenic suburban forays to world-class area wilderness hikes, Washington, D.C. offers great opportunities for nature-lovers. This book guides locals and visitors to the wealth of possibilities here for every season, including a ridgetop trek on Massanutten Mountain, a leisurely walk through Prince William Forest Park, and a breathtaking tour of the 7.5-mile U.S. National Arboretum with its dwarf conifer forests, dawn redwoods, and Fern Valley. Detailed profiles of each site help readers determine the best hike according to length, time needed, difficulty, and scenery. The book covers special interests too -- hikes that are sure to please children, wildlife enthusiasts, history buffs, waterfall watchers, and much more.

Whether you want to see snow geese and trumpeter swans pausing in their northward migration each March, or the mating "jubilee" of polychaete worms during the new moon in May, *A Year across Maryland* offers valuable advice for the spontaneous adventurer and the serious planner alike.

The official guide to 95 miles of the Appalachian Trail from the Pennsylvania line, south through the center of Maryland, briefly into West Virginia through Harpers Ferry National Historical Park, and down along the West Virginia-Virginia line to the entrance to Shenandoah National Park. The book includes trail-route descriptions in a unidirectional format and thorough information on the lands through which the footpath winds, all rich in colonial and Civil War history. The three detached maps are scaled at either 1:62,500 or 1:50,000 with 100-foot or 10-meter contour intervals and elevation profiles.

From field work conducted entirely in the year 2000, *Baltimore Trails* answers the needs of hikers and mountain bikers, offering accurate maps, up-to-date information, and reliable trail descriptions.
