Ina May's Guide to Childbirth by Ina May Gaskin | Waterstones

Second, I was unsure about Ina May's emphasis on stocking up with breast-pumping gear, and so on, before the birth and on the activity of expressing milk more generally. I can accept that this advice might well reflect the needs of a US audience, where short maternity breaks from work are the norm, but I worried again that this acted to subtly undermine the benefits of unmediated attached ...
