icon for Excel 2016. Title Bar 1. Note the Title Bar section which has window controls at the right end, as in other Microsoft Office programs. 2. Note that a blank workbook opens with a default file name of Book1. Quick Access Toolbar

### Microsoft Excel 2016 Step-by-Step Guide

The "B" means Column B, which contains the information that's only available in Sheet 2 that you want to translate to Sheet 1. Column Number: If the table array (the range of columns you just indicated) this tells Excel which column the new data you want to copy to Sheet 1 is located in. In our example, this would be the column that "House" is located in. "House" is the second column in our range of columns (table array), so our
