Jewish Fairy Tales  
and Legends by

Gertrude Landa is a  
book from the turn of  
the century, written for  
children, and hobbled  
faux archaic English  
and a lack of sources.

Where did these  
stories come from?

Some I recognize  
from the Talmud, but

a simple source list  
would help  
immensely. Many  
stories are non-  
Jewish with an  
extremely light Jewish  
veneer.
