Based on more of a true story than you might wish to believe. It was a house Mister Jones knew from his childhood, his grandparents' house, a house that everyone in his family feared, a house with a tangible sense of evil seeping through its walls. However, when he saw that it was up for sale yet again, Mister Jones couldn't resist visiting it one more time, so he contacted the agent and arranged a showing. Throughout the visit he sensed the evil re-emerging and, sure enough, after he left, the agent was nowhere to be found. When the police interrogated Mister Jones, it was obvious that he knew more than he was telling. What kind of
