Meet Trucks and Tractors, 2-page spreads. A new die-cut on every spread! They tower over us, moving our food and goods where they need to go. They roll past us on the highway, metal hubcaps gleaming. They shake the ground as they pass. They lift, carry, push, pull, and more. Trucks and tractors never fail to amaze, and in this book, they roar to life as they seem to pop off the die-cut pages. Each spread features a new truck on the road, on the farm, in the city, or on the construction site, and is jam-packed with informative and interesting facts presented in a reader-friendly manner that's easy for kids to understand.

This book is designed to develop the creativity of our children. Coloring not only allows you to relax and get away from the stresses of everyday life, but it also helps to stimulate the creative side of your child. Psychologists and educators agree that coloring has a positive impact on many areas of our children's lives. Thanks to this coloring book, your child will learn: Holding the pencil correctly - with each subsequent picture, the child will gain more skills and will be better at controlling hand movements. Coloring books are a great exercise for developing manual skills. Concentration and creativity - coloring requires concentration on one activity for a long time, the child develops the ability to focus attention and creativity by choosing colors. Memory development - the child learns about colors, shapes, and pictures, and characters by presenting them in different situations. These activities deepen knowledge, develop imagination, and memory. Decision making - it is very important for children what color they choose and they often think about it while creating a composition for their pictures. Expressing emotions - coloring can relieve emotions. The colors children choose and the way they hold the crayons can be information to parents about the child's mood. Why you and your child will
