Business Law and the Legal Environment - Open Textbook Library

The Legal Environment of Business, A Managerial Approach: Theory to Practice, 4th Edition by Sean Melvin and Enrique Guerra-Pujol (9781260247800) Preview the textbook, purchase or get a FREE instructor-only desk copy.

The fourth edition of International Business Law and the Legal Environment: A Transactional Approach gives business and law students a clear understanding of the legal principles that govern international business. This book goes beyond compliance by emphasizing how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions—from import and export, contracts, and finance to countertrade, dispute resolution, licensing, and more—giving them both context and providing real-world applications. More concise than previous editions, this new edition also features:

- Added coverage of new technologies, such as smart contracts, digital platforms, and blockchain technology
- Discussion of businesses and sustainability, climate change, and creating a circular economy
- Greater focus on UNIDROIT Principles and a review of INCOTERMS 2020
- Expansion of common carrier coverage to include CMI trucking and CMR railway conventions
- International perspective and use of a variety of national and international law materials
- Great coverage of EU substantive law

Upper-level undergraduate and postgraduate students of business law and international business will appreciate DiMatteo's lucid writing style, and professionals will find this book to be a comprehensive

resource. Online resources include an instructor's manual, PowerPoint slides, test bank, and other tools to provide additional support for students and instructors.

Relying on graphics, flow charts, cases, and administrative materials, it provides a step-by-step introduction to six of the most important federal environmental statutes. The Second Edition will use new cases to allow professors to discuss how global climate change is affecting environmental and natural resource regulation in a variety of contexts. Specifically, climate change will be the centerpiece of new cases involving NEPA, the ESA, the Clean Air Act (*Massachusetts v. EPA*), and citizen suit standing.

Current, succinct, and student-friendly, *ESSENTIALS OF THE LEGAL ENVIRONMENT*, 5E delivers complete one-semester coverage of business law and its environment in a straightforward, nontechnical style. Cases are summarized by the authors and integrated throughout chapters. Miller explains legal issues and court decisions with minimal legal jargon while keeping readers engaged with the material. Hands-on applications help students strengthen their critical thinking skills as well as think through ethical dilemmas before they confront them in the workplace. The book also explores how traditional law has been applied to issues involving the Internet and how the laws of other nations deal with topics discussed in the text. In addition to Cases and Case Problems featuring issues from legal disputes in 2013 and 2014, the fifth edition includes an all-new chapter on Internet Law, Social Media, and Privacy, new Managerial Strategy features, new Preventing Legal Disputes features, and more. to offer real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. In addition, an in-depth discussion of executive compensation contrasts theory with everyday reality. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Based on the best-selling West's Business Law, this innovative book maintains West's most popular signature features, as well as continues to offer flexibility for different philosophies. While offering a specific focus on public law issues such as ethics, government regulation, and administrative law, it also provides a good balance of private law topics like contracts and sales. It also provides comprehensive coverage of emerging trends in technological, societal, and business developments. Selected cases begin with either a "Historical and Social Setting" or a "Company Profile" and address the AACSB's curriculum requirements by focusing on global, political, ethical, social, environmental, technological, and cultural diversity issues.
