Original Luhmann website.. Sociocyberforum began when I started to solicit colleagues interested in joining a dialogue focused on Niklas Luhmann.During the pursuit of a Ph.D. in Human and Organizational Systems I was introduced to Luhmann and his theory of Social Systems. His theoretical works were new in Europe and nearly unknown in the USA.

Sociocyberforum  
Sociocyberforum is an open forum with several FREE services. Sociocyberforum evolved out of an interest in the works of Niklas Luhmann. This site provides resources and references for scholarship in sociocybernetics as well as the original America on Luhmann webpage. In addition there are interactive tools for enhancing the academic community.

The Research Committee on Sociocybernetics, RCS1  
The German sociologist Niklas Luhmann has provided one of the most elaborate theories of society available, as well as numerous works on specific aspects of society. Commonly labeled as "systems theory," this is but a shorthand description of Luhmann's theory. In fact, the theory rests on at least three main theoretical pillars. In addition to systems theory, a theory of social evolution ...

Luhmann and Systems Theory | Oxford Research Encyclopedia ...  
There is no doubt that Niklas Luhmann's social theory is complex. Yet this is not complexity for complexity's sake. It is complex because modern society itself is a mass of complexities, and Luhmann saw the task of a social theorist as observing complexity for what it is and avoiding simplified or reductionist accounts of the social world.

Luhmann's Social Theory | SpringerLink  
Niklas Luhmann's theory of social systems has proved controversial in discussions of German journalism research and consequently we believe it is important to introduce this sociologist and his...

Suzanne Vega Luka - turismo-in.it  
Luhmann's radical epistemology meant he himself did not pursue empirical research on a systematic level. The academy in general has reflected this to some degree by largely limiting the application of Luhmann's approach to the realm of theory--and this is particularly true of Luhmann's application to legal or 'socio-legal' studies.
