Macmillan English Dictionaries: About Macmillan ...

Macmillan English Dictionary for Advanced Learners, also known as MEDAL, was first published in 2002 by Macmillan Education. MEDAL is an advanced learner's dictionary and shares most of the features of this type of dictionary: it provides definitions in simple language, using a controlled defining vocabulary; most words have example sentences to illustrate how they are typically used; and information is given about how words combine grammatically or in collocations.

The second edition of the Macmillan English Dictionary now contains a wealth of new material, while building on the innovative features that won it two prestigious awards. The most frequent 7,500 words in English - the ideal vocabulary size for an advanced learner - are printed in red, graded with stars, and explained with extra detail about how you should use them. This new edition includes: hundreds of new words (satnav, greenwash, carbon trading, adspend, crystal meth, cyberlaw, geocono
