Making sense of the Industrial Strategy By Tom Stannard | 04 December 2017 Just as the UK painfully extracts itself from the EU, the Government remains intent in its new Industrial Strategy on Building a Britain Fit for the Future. Lord Heseltine commented in reply that 'the best industrial strategy for the UK would be to stop Brexit'.

Making sense of the Industrial Revolution opens with a complete summary of the many debates in the literature on this period. The book then makes a strong case for re-introducing a regional approach to the history of the age. It goes on to look at the development of the economic structures, which include chapters on financing the revolution ...
