If your company is ready to minimize paperwork and maximize productivity, control spending and boost sales, QuickBooks 2006 can help you make it happen--but only if you know how to use it. And it doesn't come with a manual. Lucky for you, there's QuickBooks 2006: The Missing Manual, the comprehensive, up-to-date guide to saving time and money while beefing up business with QuickBooks. Award-winning author and financial whiz Bonnie Biafore helps you select the best fit for your company from Intuit's QuickBooks line of financial management software, which includes five products ranging from basic accounting software for small businesses to sophisticated industry-specific enterprise solutions. She then shows you how to tweak and tailor it to your company's needs so you can manage your finances more effectively and efficiently than ever before. If you're new to QuickBooks or to the 2006 version, you'll get started with ease and become quickly proficient with Biafore's tutorials on making and managing a company file and creating accounts, customers, jobs, invoice items, and other lists. If you're a more advanced user, you'll find countless tips, tricks, and shortcuts for becoming a QuickBooks pro. And

everyone at every level will benefit from Biafore's seasoned, sensible advice on business accounting and finance. Under Biafore's expert direction, you will be able to use QuickBooks for a lot more than everyday bookkeeping. Beyond billing and payroll servicing, generating business forms and easing end-of-year tax preparation, QuickBooks 2006: The Missing Manual shows you how to use QuickBooks to accomplish things like inventory control, budget building, and report creation for evaluating every aspect of an enterprise. With Biafore's clear and friendly explanations and step-by-step instructions for every QuickBooks feature (along with plenty of real-world examples), you'll learn how to take advantage of online banking options, data exchange with other programs, and sophisticated planning and tracking tools for achieving maximum business success. QuickBooks 2006: The Missing Manual makes QuickBooks more powerful than you thought possible.
