Anyone who has ever tied a blood knot in a leader or spun a line on the reel, felt the tug of a salmon or seen the glimmer of a brook trout in the early morning sun, understands that fishing is more than a sport. It is, for many, a way of life. In Lines on the Water, we are reminded why this is so. Writing with the same mastery that has won him praise for his fiction, Richards takes us—even those unfamiliar with days spent in chilly waters—on an unforgettable journey to the famed Miramichi River. Casting new light on the mysterious and elegant world of fly fishing, it teems with lore and wisdom, humor, and most of all, passion.

In this gorgeous and contemplative New York Times bestselling picture book, legendary author-illustrator Tomie dePaola reminds us that mindfulness—being quiet, still, and present with one another—is a very special thing. Everything is in such a hurry, busy as busy can be. The birds are flying so fast, the dragonfly is zooming over the water—even the trees are waving their leaves. So what if we sit here, you next to me...and we can just be?

The unforgettable, inspiring story of a teenage girl growing up in a rural Nigerian village who longs to get an education so that she can find her "louding voice" and speak up for herself, The Girl with the Louding Voice is a simultaneously heartbreaking and triumphant tale about the power of fighting for your dreams. Despite the seemingly insurmountable obstacles in her path, Adunni never loses sight of her goal of escaping the life of poverty she was born into so that she can build the future she chooses for herself - and help other girls like her do the same. Her spirited determination to find joy and hope in even the most difficult circumstances imaginable will "break your heart and then put it back together again" (Jenna Bush Hager on The Today Show) even as Adunni shows us how one courageous young girl can inspire us all to reach for our dreams...and maybe even change the world.

Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque ' s masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. " The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. " —The New York Times Book Review
