This book is a MUST for anyone who has anything to do with money. It's for the individual, the business owner and the policymakers. The 22 Rich Habits are clearly defined and explained as the author takes you on an inspiring journey of victory, from Poor to Rich.

Those who are attaining their dreams, achieving the success they envision and are experiencing abundance on a daily basis have learned how to make the universe work for them. With the help of this book, you can take the Universal Laws and align them with your subconscious, so you can easily attain your long-held goals.

95% of what people think, feel and do, is determined by habits. Habits are ingrained but not unchangeable—new, positive habits can be learned to replace worn-out, ineffective practices with optimal behaviors that can cause dramatic, immediate benefits to the bottom line. In Million Dollar Habits, Tracy teaches readers how to develop the habits of successful men and women so they too can think more effectively, make better decisions, and ultimately double or triple their income. Readers will learn how to organize their finances, increase health and vitality, sustain loving relationships, build financial independence, and take a leadership role to turn visions into reality.
