Frank Darabont has often compared The Shawshank Redemption to a Rorschach test. Written and executed with exceptional skill, it possesses a power that allows viewers to effortlessly empathize with its characters. It is, perhaps, the metaphor of imprisonment that resonates within us the hardest.

An account of one of the most popular films of all time- a true and unexpected audience favourite

A man convicted of murder lives in a prison brutally ruled by a sadistic warden and secretly run by a con who knows all the ropes and pulls all the strings.

Here is the official screenplay book tie-in to the uproarious American family road comedy. Brazenly satirical yet deeply human, Little Miss Sunshine introduces audiences to one of the most endearingly fractured families in recent cinema history. Meet the Hoovers, a motley six-member family who treks from Albuquerque to Redondo Beach, California, to fulfill the deepest wish of seven-year-old Olive, an ordinary little girl with big dreams. Starring Greg Kinnear, Toni Collette, Steve Carell, Abigail Breslin, Paul Dano, and Alan Arkin, the film strikes a nerve with everyone who's ever been awestruck by how their muddled families seem to make it after all. On the way the family must deal with crushed dreams, heartbreak, and a broken-down VW bus, leading up to the surreal Little Miss Sunshine competition itself. On their travels through this bizarrely funny landscape, the Hoovers learn to trust and support each other along the path of life, no matter what the challenge.

How did a low-key prison movie which was considered a box-office flop on its original release become one of the most popular movies of all time? Mark Kermode traces the history of this unexpected audience favourite from the pages of Stephen King's novella 'Rita Hayworth and Shawshank Redemption', through the icy corridors of Ohio's Mansfield Reformatory (whose imposing gothic architecture dominates the film), to the television and video screens on which 'The Shawshank Redemption' became a phenomenon. This study traces the history of 'The Shawshank Redemption' and draws on interviews with writer/director Frank Darabont and leading players Tim Robbins and Morgan Freeman. The book also explores the near-religious fervour that the film inspires in a huge number of devoted fans.
