AT SKIM I actually am involved in all stages of the project and am able to learn much more than just shadowing a senior person. -Promotions actually happen here. I see none of my coworkers are still in the same role they were hired for so that shows me if I work hard there will be rewards for my efforts. -Work/Life Balance.

A New York Times Book Review choice as one of the 10 Best Illustrated Children's Books of 2008. Skim is Kimberly Keiko Cameron, a not-slim, would-be Wiccan goth stuck in a private girls' school in Toronto. When a classmate's boyfriend kills himself because he was rumored to be gay, the school goes into mourning overdrive, each clique trying to find something to hold on to and something to believe in. It's a weird time to fall in love, but that's high school, and that's what happens to Skim when she starts to meet in secret with her neo-hippie English teacher, Ms. Archer. But when Ms. Archer abruptly leaves, Skim struggles to cope with her confusion and isolation, armed with her trusty journal and a desire to shed old friendships while cautiously approaching new ones. Depression, love, sexual identity, crushes, manipulative peers --teen life in all its dramatic complexities is explored in this touching, pitch-perfect, literary graphic masterpiece. Cousins Mariko and Jillian Tamaki collaborate brilliantly in this poignant glimpse into the heartache of being sixteen. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.5.7 Analyze how visual and multimedia elements contribute to the meaning, tone, or beauty of a text (e.g., graphic novel, multimedia presentation of fiction, folktale, myth, poem). CCSS.ELA-LITERACY.RL.6.3 Describe how a particular story's or drama's plot unfolds in a series of episodes as well as how the characters respond or change as the plot moves toward a resolution. CCSS.ELA-LITERACY.RL.6.6 Explain how an author develops the point of view of the narrator or speaker in a text.

Presents the whole gamut of tortured teen life--friends, love, depression, suicide, and cliques--through the eyes of Skim, a.k.a. Kimberly Keiko Cameron, a would-be Wiccan goth at a girls' academy in Toronto during the 1990s.

A New York Times Book Review choice as one of the 10 Best Illustrated Children's Books of 2008. Skim is Kimberly Keiko Cameron, a not-slim, would-be Wiccan goth stuck in a private girls' school in Toronto. Cousins Mariko and Jillian Tamaki collaborate brilliantly in this poignant glimpse into the heartache of being sixteen.

If Tony Gould, head of international banking at the Manhattan Banking Corporation, can prod his fellow bankers to syndicate a one billion dollar loan to the African Republic of Maraka, the rewards are rich. His bank would rise to the top ranks in the New York banking world, and Tony would be one step closer to replacing Miles Vanderpane as Chairman and CEO. Tony has many obstacles to surmount: Maraka has natural resources, but is massively corrupt; its elite live like kings while most starve; and multinational corporations routinely bribe the government for a piece of the action. Closer to home, both the bank's Risk Manager, who won't approve the loan, and Vanderpane stand in Tony's way. Then there are the obstacles which Tony does not anticipate, involving his wife, Maureen, and Samantha Vanderpane, the Chairman's wife, who is a force to be reckoned with. Often satiric, Skim is a novel grounded in the real world of high-stakes banking. This absorbing story can serve as a cautionary tale as it illuminates the irresponsible behaviors underlying the near collapse of the banking system in 2008.

Have you ever watched a man angling in the rain, building a shelter when there's a bed waiting for him at home or peeing as high as he can up a wall? In *Why Men Skim Stones*, Chris Windle provides an amusing and indispensable insight into why men do the things they do. Here, finally, is a guide that tackles the big questions: why do male friends express their affection by subjecting each other to casual acts of violence? Why is it common for a man to have more of an idea of what he might do in the event of a zombie apocalypse, than what he might buy his mum for Christmas? If you've ever been dumbfounded when faced with a man who would rather talk to an inanimate object than read the instruction booklet, this is the book for you. *Why Men Skim Stones* is a compendium of oddness which, by offering explanations for man's often bizarre behaviour, seeks to promote tolerance and understanding. This is a book that could save relationships, smooth family life or provide much needed reassurance for any man seeking to better understand his own actions.

Students are reading on screens more than ever--how can we teach them to be better digital readers?

#1 NEW YORK TIMES BESTSELLER • It might seem like everyone you know took secret classes on budgeting, owning their career, and choosing the right wine—and you were sick that day.
