Of Terror, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status . . . and power. But everything changed when Mosab turned away from terror and violence, and embraced instead the teachings of another famous Middle East leader. In Son of Hamas, Mosab reveals new information about the world's most dangerous terrorist organization and unveils the truth about his own role, his agonizing separation from family and homeland, the dangerous decision to make his newfound faith public, and his belief that the Christian mandate to "love

Of The Founders Of Hamas, how he assisted his father in an important role in the organization, and how he came to renounce violence and Hamas and become a Christian.

At age 17, Palestinian Tass Saada ran away to become a PLO sniper, onetime chauffeur for Yasser Arafat, and a Muslim immersed in anti-Israeli activity. As a man he moved to America, started a family, and eventually became a Christian. Then he risked retribution as he returned home to share his faith with his family and former boss. Once an Arafat Man is a story of the ultimate triumph of love over hatred, of reconciliation over divisions. It's a story that can inspire us all to

overcome the conflicts in our own lives

A gripping memoir of life in Jerusalem from one of Australia's most experienced Middle East correspondents. Leading Australian journalist John Lyons will take readers on a fascinating personal journey through the wonders and dangers of the Middle East. From the sheer excitement of arriving in Jerusalem with his wife and eight-year-old son, to the fall of dictators and his gripping account of what it feels like to be taken by Egyptian soldiers, blindfolded and interrogated, this is a memoir of the Middle East like no other. Drawing on a 20-year interest in the Middle East, Lyons has had

# Download Ebook Son Of Hamas A Gripping Account

extraordinary access - he's interviewed everyone from Israel's former Prime Ministers Shimon Peres and Ehud Olmert to key figures from Hezbollah and Hamas. He's witnessed the brutal Iranian Revolutionary Guard up close and was one of the last foreign journalists in Iran during the violent crackdown against the 'Green Revolution'. He's confronted Hamas officials about why they fire rockets into Israel and Israeli soldiers about why they fire tear gas at Palestinian school children. By telling the story of his family travelling through the region, this book is extremely readable and entertaining, full of humour, colour. It is sometimes dazzling in its detail, sometimes tragic. Lyons

says he has written it in a way that readers can feel they are there with him - so they can smell the wonderful markets of the Middle East and feel the fear of what it is like to be blindfolded and have your hands bound with electrical cord. Lyons also looks at 50 years of Israeli occupation of the West Bank - the mechanics of how this works and the effect it now has on both Israelis and Palestinians. Lyons explains the Middle East through every day life and experiences - his son's school, his wife's friends and his own dealings with a range of people over six years. If you only read one book on the Middle East, this is it.

Two prominent Israeli liberals

argue that for the conflict between Israel and the Palestinians to end with peace, Palestinians must come to terms with the fact that there will be no "right of return." In 1948, seven hundred thousand Palestinians were forced out of their homes by the first Arab-Israeli War. More than seventy years later, most of their houses are long gone, but millions of their descendants are still registered as refugees, with many living in refugee camps. This group—unlike countless others that were displaced in the aftermath of World War II and other conflicts—has remained unsettled, demanding to settle in the state of Israel. Their belief in a "right of return" is one of the largest obstacles to successful

diplomacy and lasting peace in the region. In *The War of Return*, Adi Schwartz and Einat Wilf—both liberal Israelis supportive of a two-state solution—reveal the origins of the idea of a right of return, and explain how UNRWA - the very agency charged with finding a solution for the refugees - gave in to Palestinian, Arab and international political pressure to create a permanent “refugee” problem. They argue that this Palestinian demand for a “right of return” has no legal or moral basis and make an impassioned plea for the US, the UN, and the EU to recognize this fact, for the good of Israelis and Palestinians alike. A runaway bestseller in Israel, the first English translation of *The War of Return* is certain to

spark lively debate throughout America and abroad.

Traditional Chinese edition of Son of Hamas: A Gripping Account of Terror, Betrayal, Political Intrigue, and Unthinkable Choices. Mosab Hassan Yousef is the son of Sheikh Hassan Yousef, a founding leader of Hamas, internationally recognized as a terrorist organization. Yousef is now a Christian and is living in asylum in the US. In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.

Osama bin Laden's former sister-in-law provides a penetrating, unusually intimate look into Saudi society and the bin Laden family's

## Download Ebook Son Of Hamas A Gripping Account

role within it, as well as the treatment of Saudi women. On September 11th, 2001, Carmen bin Ladin heard the news that the Twin Towers had been struck. She instinctively knew that her ex-brother-in-law was involved in these horrifying acts of terrorism, and her heart went out to America. She also knew that her life and the lives of her family would never be the same again. Carmen bin Ladin, half Swiss and half Persian, married into and later divorced from the bin Laden family and found herself inside a complex and vast clan, part of a society that she neither knew nor understood. Her story takes us inside the bin Laden family and one of the most powerful, secretive, and repressed

# Download Ebook Son Of Hamas A Gripping Account Of Terror Betrayal Political Kingdoms in the world.

Religion has left an undeniable mark in our world. Some see it as the answer to every problem, while others see it as the problem itself. Simply put, religion is the single greatest force in history. But in a much more intimate sense, what does religion mean to one life? In this honest, suspenseful, and moving memoir, author David Nasser tells of a life filled with heartbreak and healing. Forced to escape from a country gripped in a religious revolution, David and his family run for their lives in an attempt to find refuge. Through the lens of a terrified boy we see the destructive power of religion and the pull of peer pressure as he tries to fit into a

new culture. Nasser's raw and transparent account of his transition from hating religion to having a living faith in Christ will impact readers from across the religious spectrum. His unflinchingly honest, yet humorous, assessment of the church from an outsider's point of view will both enlighten readers and spur them to renewed and refined outreach. For anyone who has seen the lie of religion, whether in Iran or Alabama or anywhere in between, Nasser offers the truth of Jesus.
