This is a book of seven short unbelievable stories entailing personal tribulations of the characters involved. The book consists of approximately ninety-seven thousand words. Each story is a thriller in its own right. This septology is filled with science fiction, unbelievable exploits, fantasy, and strange and unusual events. Story 1 concerns a woman who is falsely accused of embezzlement. Her beagle dog keeps her out of jail as they travel through time and other dimensions to avoid th

This unique collection of Voltaire's most iconic romances has been designed and formatted to the highest digital standards. François-Marie Arouet (1694-1778), known by his nom de plume Voltaire, was a French Enlightenment writer, historian, and philosopher famous for his wit, his attacks on the established Catholic Church, and his advocacy of freedom of religion, freedom of expression, and separation of church and state. Voltaire was a versatile writer, producing works in almost every literary form, including plays, poems, novels, essays, and historical and scientific works. He was an outspoken advocate of several liberties, despite the risk this placed him in under the strict censorship laws of the time. As a satirical polemicist, he frequently made use of his works to criticize intolerance, religious dogma, and the French institutions of his day. Table of Contents: Candide Zadig Micromegas The Huron The White Bull The Man of Forty Crowns The Princess of Babylon The Sage and the Atheist Memnon the Philosopher The Black and the White The World as it Goes Andre des Touches at Siam Bababec Jeannot and Colin The Travels of Scarmentado A Conversation with a Chinese Plato's Dream Pleasure in Having no Pleasure An

It's sometimes difficult for those of us steeped in the comforts and ease of today's modern world to grasp what a life of radical faith can look like. What was ministry like for missionaries living a hundred years ago? What happened "back in the day" when brave missionary pioneers forsook all to follow the calling of God into completely unknown territories? How did God's faithfulness sustain them? This collection of 24 short stories of missionary adventures from around the globe is a cold shower for a sleeping Church. It reminds us of the hefty price missionaries must be willing to pay to prepare previously untilled soil for the Gospel of Jesus Christ. It also drives home this astounding truth: that God provides for those whom He calls — even when things don't go as planned. Filled with incredible front-line stories, including both victories and defeats, this book will leave you with a newfound respect and gratitude for kingdom forerunners whom God used to open doors to previously unreached people groups. It will also leave you to grapple with a piercing question: How big is your God?

Revered as a symbol of fertility, sexuality, purity and childhood, beloved as a children's pet and widely represented in the myths, art and collectibles of almost every culture, the

rabbit is one of the most popular animals known to humans. Ironically, it has also been one of the most misunderstood and abused. Indeed, the rabbit is the only animal that our culture adores as a pet, idolizes as a storybook hero and slaughters for commercial purposes. *Stories Rabbits Tell* takes a comprehensive look at the rabbit as a wild animal, ancient symbol, pop culture icon, commercial "product" and domestic.

"Here he [the author] looks in detail at a dozen rampant and long-lived examples of this vigorous category of contemporary folklore, tracing their histories, variations, sources, and meanings."--Jacket.

Now in its first complete English translation, this masterpiece chronicles life in a Soviet gulag, based on the author's own years in a USSR prison camp. *Kolyma Stories* is a masterpiece of twentieth-century literature, an epic array of short fictional tales reflecting the fifteen years that Varlam Shalamov spent in the Soviet Gulag. This is the first of two volumes (the second to appear in 2019) that together will constitute the first complete English translation of Shalamov's stories and the only one to be based on the authorized Russian text. Shalamov spent six years as a slave in the gold mines of Kolyma before finding a less intolerable life as a paramedic in the prison camps. He began writing his account of life in Kolyma after Stalin's death in 1953. His stories are at once the biography of a rare survivor, a historical record of the Gulag, and a literary work of unparalleled creative power, insight, and conviction.
