One of the biggest stories of the 20th Century, the "Amityville Horror" began with the killing of the DeFeo family by one of their own - the worst mass-murder ever seen in a small New York community. The "Horror House" was sold to the Lutz family, but after only two weeks the new owners fled from the demonic forces tormenting them.

The Amityville Horror Conspiracy by Stephen Kaplan. My rating: 3 of 5 stars. It's not exactly a secret that I despise the whole Amityville Horror phenomena. Thus it should come as no surprise that I found this utter shredding of the original saga to be very pleasing in the cold, dead corners of my heart.

~~Goodreads Review: The Amityville Horror Conspiracy ...~~

THE AMITYVILLE HORROR: The murders of six members of one family shocked the nation and put the quiet residential Long Island town of Amityville on the map. The ... family that later moved into that house claimed it was possessed. In 1976, Marvin Scott spent the night inside the "Amityville Horror" house. He shares his story now with John Muller.

(i.e. was it horror or was it hokum?), Stephen Kaplan's The Amityville Horror Conspiracy is required reading. For one, it is the best written book about the Amityville circus that I have read to date (and I have polished off the books by Anson, Holzer, and two by Jones - with only two more to go) and, unlike the others, it is filled with easily verified facts.
