Ma is the term for a specific
Japanese concept of negative
space. In traditional Japanese arts
and culture, ma refers to the
artistic interpretation of an empty
space, often holding as much
importance as the rest of an
artwork and focusing the viewer
on the intention of negative space
in an art piece. Though commonly
used to refer to literal, visible
negative space, ma may also

Great course! I'm a senior in high school and I decided to take Intermediate Counting & Probability because I'd never been exposed to problem-solving math before, let alone discrete math. Now, I feel ready to take the 400-level combinatorics sequence at college in a few months, and my problem-solving skills have improved a lot.
