The killer Broken Axe is set on their trail, to drag them back for retribution. The Wolf chieftan plots to rule the north and controlling his daughter is crucial to his schemes. However, other tribes also prepare for strife. Strangers from the far south appear too, seeking allies in their own conflict. <p>The Hyena and the Hawk is the third book in Adrian Tchaikovsky's epic fantasy trilogy, Echoes of the Fall, following The Bear and the Serpent. From the depths of the darkest myths, the soulless Plague People have returned. Their pale-walled camps obliterate villages, just as the terror they bring with them destroys minds. In their wake, nothing is left of the true people: not their places, not their ways. The Plague People will remake the world as though they had never been. The heroes and leaders of the true people – Maniye, Loud Thunder, Hesprec and Asman – will each fight the Plague People in their own ways. They will seek allies, gather armies and lead the charge. But a thousand swords or ten thousand spears will not suffice to turn back this enemy. The end is at hand for everything the true people know.</p>

<p>Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner,The Serpent King is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green’s Turtles All the Way Down. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest after you finished The Perks of Being a Wallflower." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one’s true self in the wreckage of the past. "A story about friendship, family and forgiveness, it’s as funny and witty as it is utterly heartbreaking." —PasteMagazine.com "A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it." —Mashable.com "I adored all three of these characters and the way they talked to and loved one another."—New York Times</p>
