Meanwhile, spectacular aerial photography from around the world will inspire you to get airborne immediately!

The Drone Pilot's Handbook eBook: Juniper, Adam: Amazon.co ...

The Drone Pilot's Handbook is 160 pages of full colour and very nicely presented and illustrated. The cover is nice and glossy so can take a spill or two. Now you have to remember that this book is written and published in the US and drone laws are very different across all countries. So never take anything from the book as gospel.

The yellow H represent your home point and moves along the line to show how much power you will need to get your drone back home. Flight Mode: There are three flight modes that can be displayed in the DJI GO 4 app: Positioning mode (P-mode): P Mode is when all the drones' sensors are active, so the drone should always be stable. This is the safest mode to the fly the drone in as if you take your hands off the control sticks then the drone will automatically brake and then hover in position.
