reading the Gender Game series at the beginning of the year and loved them from the first page. I absolutely loved the first four books. They had a great storyline and the characters were wonderful. When one book was finished I couldn't wait to dive into the next.

The Gender End (The Gender Game, #7) by Bella Forrest

Gender Game is the best dystopian series that I've read thus far. I read some reviews and most people thought that bk #2 was better than #1. I was having a hard time believing

The Gender Game by Bella Forrest, Paperback / Barnes & Noble®

The relationship between women and video games has received extensive academic and media attention. Since the 1990s, female gamers have commonly been regarded as a minority, but industry surveys have shown that over time, the gender ratio has become closer to equal, and since the 2010s, women have been found to make up around half of all
