One of the most powerful forces on Earth is an organization fully aligned, individual by individual, team by team, to achieve mutual success. In this vivid business story, Ken Jennings and Heather Hyde provide a road map to guide leaders through the process of engaging employees at all levels of the organization to find the deeper meaning and higher purposes of their work. Learning these methods is Alex Beckley, a leader who receives a wake-up call that inspires him to live and lead differently. He discovers how to invite his coworkers to join a cause, not just a company--to commit to a Greater Goal--and lead the process of shared goal achievement. Alex learns the Star Model, a process encompassing five practices that can help you discover and deliver on your own purpose and passions, in alignment with many others, to accomplish something good and great. Come along on the adventure!

We all want to live a life that matters. We all want to reach our full potential. But too often we find ourselves overwhelmed by the day-to-day. Our big goals get pushed to the back burner--and then, more often than not, they get forgotten. New York Times bestselling author Michael Hyatt wants readers to know that it doesn't have to be this way. In fact, he thinks that this is the year readers can finally close the gap between reality and their dreams. In *Your Best Year Ever*, Hyatt shares a powerful, proven, research-driven system for setting and achieving goals. Readers learn how to design their best year ever in just five hours - three simple ways to triple the likelihood of achieving their goals - how to quit-proof their goals - what to do when they feel stuck - and much more. Anyone who is tired of not seeing progress in their personal, intellectual, business, relationship, or financial goals will treasure the field-tested wisdom found in these pages.

The #1 New York Times bestseller. Over 3 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Brian Tracy is one of the world's leading authorities on success and personal achievement, addressing more than 100,000 men and women each year in public and private seminars. In Maximum Achievement, he gives you a powerful, proven system -- based on twenty-five years of research and practice -- that you can apply immediately to get better results in every area of your life. You learn ideas, concepts, and methods used by high-achieving people in every field everywhere. You learn how to unlock your individual potential for personal greatness. You will immediately become more positive, persuasive, and powerfully focused in everything you do. Many of the more than one million graduates of the seminar program upon which this book is based have dramatically increased their income and improved their lives in every respect. The step-by-step blueprint for success and achievement presented in these pages includes proven principles drawn from psychology, religion, philosophy, business, economics, politics, history, and metaphysics. These ideas are combined in a fast-moving, informative series of steps that will lead you to greater success than you ever imagined possible -- they can raise your self-esteem, improve personal performance, and give you complete control over every aspect of your personal and professional life.

Do you have trouble setting goals? Would you like to have greater focus, stronger follow-through, and achieve dramatically better results? Would you like to learn how to get anything you want from life--more money, a new home, a promotion, better relationships, a greater sense of fulfillment, or anything else you can imagine? If so, then read The Magic Lamp. This remarkable book describes a simple yet unforgettable process for how to obtain whatever you want from both your personal life and your career. What's the Secret? The Magic Lamp is the first goal-setting guide for people who hate setting goals. Goals can take you anywhere you want to go, but they rarely give you the inspiration you need to get there. Wishes are different. They have emotional impact. They give you the freedom to dream and the power to make your dreams come true. The Magic Lamp transforms the process of setting goals from a dull routine into an exciting adventure because it's the first book to combine the methods of goal setting with the magic of making your wishes come true.
