Michelle Williams to play last of King Henry VIII's wives in Firebrand
Dramatised documentary about the infamous Tudor king and the women he married. Historians Suzannah Lipscomb and Dan Jones tell the stories of Henry's last two wives - the fifth, the young, beautiful ...

A brilliantly written and meticulously researched biography of royal family life during England's second Tudor monarch (San Francisco Chronicle). Either annulled, executed, died in childbirth, or widowed, these were the well-known fates of the six queens during the tempestuous, bloody, and splendid reign of Henry VIII of England from 1509 to 1547. But in this exquisite treatment, sure to become a classic (Booklist), they take on more fully realized flesh and blood than ever before. Katherine of Aragon emerges as a staunch though misguided woman of principle; Anne Boleyn, an ambitious adventuress with a penchant for vengeance; Jane Seymour, a strong-minded matriarch in the making; Anne of Cleves, a good-natured woman who jumped at the chance of independence; Katherine Howard, an empty-headed wanton; and Katherine Parr, a warm-blooded bluestocking who survived King Henry to marry a fourth time. Combining the accessibility of a popular history with the highest standards of a scholarly thesis, Alison Weir draws on the entire labyrinth of Tudor history, employing every known archive—early biographies, letters, memoirs, account books, and diplomatic reports—to bring vividly to life the fates of the six queens, the machinations of the monarch they married and the myriad and ceaselessly plotting courtiers in their intimate circle (The Detroit News). In this extraordinary work of sound and brilliant scholarship, at last we have the truth about Henry VIII's wives (Evening Standard).

The New York Times bestselling history of the legendary six wives of Henry VIII—from the acclaimed author of Marie Antoinette. Under Antonia Fraser's intent scrutiny, Catherine of Aragon emerges as a scholar-queen who steadfastly refused to grant a divorce to her royal husband; Anne Boleyn is absolved of everything but a sharp tongue and an inability to produce a male heir; and Catherine Parr is revealed as a religious reformer with the good sense to tack with the treacherous winds of the Tudor court. And we gain fresh understanding of Jane Seymour's circumspect wisdom, the touching dignity of Anna of Cleves, and the youthful naivete that led to Katherine Howard's fatal indiscretions. The Wives of Henry VIII interweaves passion and power, personality and politics, into a superb work of history.

Henry VIII, King of England and Ireland in the first half of the 16th century, is one of history's most famous monarchs for many reasons. He ruled ruthlessly, was quick to cry "treason!" and execute, and equally quick to fall in and out of love. Henry changed the religious fabric of England forever and left his mark on the wider world.

No one in history had a more eventful career in matrimony than Henry VIII. His marriages were daring and tumultuous, and made instant legends of six very different women. In this remarkable study, David Starkey argues that the king was not a depraved philanderer but someone seeking happiness -- and a son. Knowingly or not, he elevated a group of women to extraordinary heights and changed the way a nation was governed. Six Wives is a masterful work of history that intimately examines the rituals of diplomacy, marriage, pregnancy, and religion that were part of daily life for women at the Tudor Court. Weaving new facts and fresh interpretations into a spellbinding account of the emotional drama surrounding Henry's six marriages, David Starkey reveals the central role that the queens played in determining policy. With an equally keen eye for romantic and political intrigue, he brilliantly recaptures the story of Henry's wives and the England they ruled.

If your school's homecoming king had a little too much in common with Henry VIII, would you survive with your head still attached? You'd think being the new girl in a tiny town would equal one very boring senior year. But if you're me! Annie Marck, alias Cleves! and you accidentally transform into teenage royalty by entering Lancaster High on the arm of the king himself? Life becomes the exact opposite of boring. Henry has it all: he's the jock, the genius and the brooding bad boy all in one. Which sort of explains why he's on his sixth girlfriend in two years. What it doesn't explain is why two of them! two of us! are dead. My best friend thinks it's Henry's fault, which is obviously ridiculous. My nemesis says we shouldn't talk about it, which is straight-up sketchy. But as the resident nosy new girl, I'm determined to find out what really happened to Lancaster's dead queens! Ideally before history repeats itself.

If you were one of King Henry VIII's six wives, who would you be? Would you be Anne Boleyn, who literally lost her head? Would you be the subject of rumor and scandal like Catherine Howard? Or would you get away and survive like Anna of Cleves? Meet them and Henry's other queens--each bound for divorce or death--in this epic and thrilling novel that reads like fantasy but really happened. Watch spellbound as each of these women attempts to survive their unpredictable king as he grows more and more obsessed with producing a male heir. And discover how the power-hungry court fanned the flames of Henry's passions . . . and his most horrible impulses. Whether you're a huge fan of all things Tudor or new to this jaw-dropping saga, you won't be able to get the unique voices of Henry and his wives--all brought to life by seven award-winning and bestselling authors--out of your head. This is an intimate look at the royals during one of the most treacherous times in history. Who will you root for and who will you love to hate? ONE OF THE NYPL TOP TEN BEST BOOKS OF THE YEAR "Ambitious and exciting." --Bustle "A clever, feminist reimagining of one of English history's most fascinating moments." --Refinery29 "These stories of love, lust, power and intrigue never fail to fascinate." --Shelf Awareness, Starred Review Who's Who- M. T. Anderson - Henry VIII Candace Fleming - Katharine of Aragon, wife #1 Stephanie Hemphill - Anne Boleyn, wife #2 Lisa Ann Sandell - Jane Seymour, wife #3 Jennifer Donnelly - Anna of Cleves, wife #4 Linda Sue Park - Catherine Howard, wife #5 Deborah Hopkinson - Kateryn Parr, wife #6

Presents a multiple biography of the six unfortunate wives of Henry VIII—from Catherine of Aragon, a woman of learning and dignity, to religious reformer Catherine Parr

For a King renowned for his love life, Henry VIII has traditionally been depicted as something of a prude, but the story may have been different for the women who shared his bed. How did they take the leap from courtier to lover, to wife? What was Henry really like as a lover? Henry's women were uniquely placed to experience the tension between his chivalric ideals and the lusts of the handsome, tall, athletic king; his first marriage, to Catherine of Aragon, was on one level a fairy-tale romance, but his affairs with Anne Stafford, Elizabeth Carew and Jane Popincourt undermined it early on. Later, his more established mistresses, Bessie Blount and Mary Boleyn, risked their good names by bearing him illegitimate children. Typical of his time, Henry did not see that casual liaisons might threaten his marriage, until he met the one woman who held him at arm's length. The arrival of Anne Boleyn changed everything. Her seductive eyes helped rewrite history. After their passionate marriage turned sour, the king rapidly remarried to Jane Seymour. Henry was a man of great appetites, ready to move heaven and earth for a woman he desired; Licence readdresses the experiences of his wives and mistresses in this frank, modern take on the affairs of his heart. What was it really like to be Mrs Henry VIII?

The marital ups and downs of England's most infamous king.
