Witches Of Dark Root

In the tradition of 'Practical Magic'
and 'Charmed', The Witches of Dark
Root is a story of sisterhood,
seamlessly weaving the past with the
present, the magickal with the
mundane. It is a tale of family,
forgiveness, and the healing power of
love that will leave readers believing
in magick long after the story ends.
Welcome to Dark Root.

Daughters of Dark Root - Book Series In Order

The Witches of Dark Root was a good read, not too long and did have an acceptable ending, leaving the reader into the next in the series. When I finish my current TBR list, I will probably go back and pick up the next book. I do recommend this to fantasy readers, you won't be disappointed.
