## ~~Contentious Wills, Trusts & Probate Q&A~~ Wills And Probate

Most people think of probate as involving a will. If a person dies and leaves a will, then probate is required to implement the provisions of that will. However, a probate process also can happen if a person dies without a will and has property that needs to be distributed under the state intestacy law (the law of inheritance).

Do All Wills Need to Go Through Probate? | legalzoom.com

First of all, many estates don't even require probate proceedings. Generally, only assets owned in the deceased person's name alone must go through probate. And if the value of those "probate assets" is small enough, the family can take advantage of probate shortcuts, which are less expensive than regular probate.

Succession, Wills and Probate is an ideal textbook for those taking

## Read PDF Wills And Probate

an undergraduate course in this surprisingly vibrant subject, and also provides a clear and comprehensive introduction for professionals. Against an account of the main social and political themes of succession law, the book gives detailed explanations of core topics such as alternatives to wills and the making, altering and revocation of wills. It also explains personal representatives and how they should deal with a deceased person's estate and interpret and implement the will. Gifts may fail, estates may be insolvent or a person may die intestate, without a will at all. Increasingly relatives and others seek to challenge the will, for example on the grounds of the testator's capacity or under the law of family provision. This third edition is edited, updated and revised to take account of new legislation and case law across all the relevant issues, including a new final chapter dealing with the potentially contentious issues
